

## Section 5.11: Life Member Committee

### Responsibilities:

1. The Life Members Committee (LMC) shall be responsible for promoting and supporting the activities and interests of Life Members within Region 10 so that they may remain active in IEEE.
2. The LMC shall facilitate the activities of each of the Life Member Affinity Groups (LMAG) formed in Sections throughout Region 10.
3. The LMC shall endeavor that Life Members in Sections where LMAGs do not exist, or where the members are remote from the Section activities, maintain an active awareness of IEEE activities of interest to Life Members.
4. The LMC shall encourage Life Members to support the IEEE Foundation and IEEE Life Members Fund.
5. The LMC shall act in the best interests of Life Members and encourage them to submit written articles of interest for publication.

### Reporting:

The LMC shall be chaired by the Regional Life Members Committee (RLMC) Chair who is a member of the Region 10 EXCOM. The RLMC Chair shall report to the Regional Director.

### Program of Meetings:

The LMC shall meet (electronically) at least quarterly, with meetings within a month prior to the Regional Committee Meeting and the Region 10 Meet.

### Committee Structure:

Members of the LMC shall be IEEE Life Members. The LMC shall consist of the RLMC Chair, Chairs of largest 4 Life Member Groups in Sections with not more than two from one country, and up to three (3) co-opted members.

The LMC shall maintain communication with the IEEE Life Members Committee and other IEEE Regional Life Member Coordinators.
