

Section 5.4 Awards & Recognition Committee

IEEE Region 10 (R10) has established through its Bylaws the Awards & Recognition Committee and commissioned it to assist the Region in recognizing, rewarding and promoting excellence in all facets of the professional lives of its members. The Committee is responsible for conducting programs which provides the means to recognize the individual or collective efforts of the membership in promoting the interests of IEEE as reflected in the operation of R10 and its entities. Functions and Composition of the Committee are described in this manual. Descriptions of all R10 awards coordinated by the Committee are also assembled.

Functions

- Develop and implement awards and recognition program and procedures designed for sponsorship specifically by R10.
- Serve as an action body within R10, relating to various awards and recognition programs within the IEEE, and act as an information source on them.
- Represent R10 on the MGA Awards & Recognition Committee.
- Develop and implement suitable documentation of awards and recognition presented by R10.
- Develop procedures for publicizing the availability of awards and recognitions within the IEEE; actively encourage the Sections to nominate members for all appropriate awards and provide such assistance may be necessary for accurate, timely and professional nominations and assist in affording appropriate media exposure to awardees.
- Develop budgeting procedures for R10 awards and serve as a resource on various funding processes as may be available and permitted in support of the awards programs.

Composition

- The R10 Awards & Recognition Committee Chair is appointed by the R10 Director.
- The Committee should consist of not less than two members appointed by the Awards & Recognition Committee Chair and endorsed by the R10 Director.

R10 Awards and Recognition Program

R10 Outstanding Large, Medium and Small Section Award - to recognize the excellent work of the Section in the prior year ([Annex A](#)).

R10 Best Membership Growth Large, Medium, Small Section Award - to recognize the excellent work of the Section in the prior year ([Annex A](#)).

R10 Best Membership Retention Large, Medium, Small Section Award - to recognize the excellent work of the Section in the prior year ([Annex A](#)).

R10 Outstanding Volunteer Award - to recognize the excellent work and contribution of outstanding volunteer to the Section ([Annex B](#)).

R10 Humanitarian Technology Activities Outstanding Volunteer Award – to inspire scientists and engineers to become socially responsible and be engaged in developing technological solutions to improve living conditions and livelihood of people thus making a difference in peoples’ lives in a cost effective and sustainable manner ([Annex C](#)).

R10 Humanitarian Technology Activities Outstanding Section Award – to recognize the Sections who have done outstanding work in identifying social issues and made efforts to solve those issues through the use of technology or any other means ([Annex D](#)).

R10 WIE Outstanding Professional/ Student Volunteer Award - to recognize individuals who have exhibited exemplary and substantive leadership of an extraordinary nature in implementing activities which support the visions of IEEE WIE and R10 WIE, at the local, regional, national, and/or international level ([Annex E](#)).

R10 WIE Outstanding Section/ Student Branch Affinity Group Award - to recognize distinguished WIE Section Affinity Group and WIE Student Branch Affinity Group respectively in R10 ([Annex F](#)).

R10 Young Professionals Outstanding Volunteer Award - to recognize the efforts and achievements of those individuals who have made substantial contribution to IEEE and Young Professionals Affinity Groups. The award is conferred upon three young professionals; one from academia, one from industry and one entrepreneur. ([Annex G](#)).

R10 Young Professionals Outstanding Section Affinity Group Award – to help Young Professionals AGs in its membership development by member’s satisfaction. The award will be conferred for two best Affinity groups who have done quality activities and had secured high member increase and retention ([Annex H](#)).

R10 SAC Outstanding Volunteer Award – to recognize a member, including Student Branch Counselor & Section SAC Chair, who has been organizing activities and providing impetus to growth of student involvement for IEEE activities and events. These awards will help improve student member retention, recruiting new members and reporting from Student Branches & Sections ([Annex I](#)).

R10 SAC Outstanding Student Volunteer Award – to recognize the importance of student volunteers and has established the Student Volunteer Award for these student members who have been outstanding student representatives in their Section with demonstrated leadership skills ([Annex J](#)).

R10 SAC Outstanding Student Branch Award – to recognize a student branch that has maintained membership, provided student members with opportunities to volunteer, and helped in promotion of IEEE and its mission. IEEE R10 recognizes the role of Student Branch in representing and fulfilling the needs of the members and the missions of R10 and IEEE. This award will help improve the membership, membership satisfaction and retention ([Annex K](#)).

R10 Educational Activities Outstanding Group Award - to recognize Section/Student Branch/Affinity Group who have exhibited exemplary and substantive leadership of an extraordinary nature in implementing activities in the scope of EA, as stated above, at the local, regional, national, and/or international level ([Annex L](#)).

R10 Educational Activities Outstanding Volunteer Award - to recognize individuals who have exhibited exemplary and substantive leadership of an extraordinary nature in implementing activities in the scope of EA, as stated above, at the local, regional, national, and/or international level ([Annex M](#)).

R10 Outstanding Large Section Award
R10 Outstanding Medium Section Award
R10 Outstanding Small Section Award

Purpose

The R10 Outstanding Large Section Award will be awarded to one Large Section in Region 10 to recognize the excellent work of the Large Section in the prior year. The total membership of a Large Section (including Students) shall be 501 or greater as of 31 December of the prior year.

The R10 Outstanding Medium Section Award will be awarded to one Medium Section in Region 10 to recognize the excellent work of the Medium Section in the prior year. The total membership of a Medium Section (including Students) shall be from 501 and 1499 members as of 31 December of the prior year.

The R10 Outstanding Small Section Award will be awarded to one Small Section in Region 10 to recognize the excellent work of the Small Section in the prior year. The total membership of a Small Section (including Students) shall be 500 or less as of 31 December of the prior year.

Schedule

Closing date for consideration:

Submission of Annual Section Report by the time of R10 Annual Meeting (usually held in late February or early March)

Recipient notified in August 2019

Basis of Selection

The R10 Outstanding Large/ Medium/ Small Section Awards are selected based on the Annual Section Report submitted to R10.

The following aspects and activities in the prior year would be considered in selecting the Outstanding Large/Medium / Small Sections:

- Submission of the Annual Section Report by the time of R10 Annual Meeting;
- Evidence of Retention and Growth of members and active Young Professional, Women in Engineering and Life Member Affinity Groups;
- Active Student Branch activity such as student paper contest, recruitment of student members;
- Continuing Educational activities including conferences, technical activities, training courses;
- Contacts with section members including the number of Newsletter issues email Newsletters, regular updates of Section, Chapters and Student Branches Web Page and via other social media;
- Community projects/service that project positive visibility to IEEE;
- No Section may receive two R10 Outstanding Large/ Medium/ Small Section Awards within three years.

**Selection Committee:**

The R10 Awards & Recognition Committee reviews the submitted Section Reports, selects and endorses the recipients. The decision of the R10 Awards & Recognition Committee is final.

Award Instrument

A Plaque and a Certificate of Recognition will be awarded to the Winner
A cash of US1000 will be awarded to the Winner.

Presentation

R10 Director present the award to the attending Section Chair or representative at the R10 Annual General Meeting.

Record

The R10 Awards & Recognition Committee Chair maintains a record of award recipients on the R10 Web page.

R10 Outstanding Volunteer Award

Introduction

IEEE Region 10 recognizes and values the important role of members as volunteers to promote the IEEE objectives in the region. It is the sustained hard work of the volunteers that makes a Section vibrant and beneficial to its members and attracts new members. It is important that these dedicated volunteers are encouraged to excel in their efforts and be recognised for their contributions. This acknowledgement also serves to promote examples for others to follow, which in turn helps Sections to flourish.

Purpose

The R10 Outstanding Volunteer Award aims to recognize those volunteers who have made outstanding contributions to a particular Region 10 Section.

Scope

Based on the merit of each candidate, the R10 Awards & Recognition Committee may decide on the number of winners for the prevailing contest year. If no candidate is found to be suitable, no award will be given in that year.

Eligibility

- An IEEE member of any membership grade in good standing.
- The candidate's volunteer work is, or has been, on behalf of a Section. The candidate must have been active for at least 2 years in the Section and is not currently the Section Chair.
- The candidate receives no remuneration for his/her volunteer work for the Section except reimbursement of expenses incurred in carrying out the volunteer work.
- The incumbent R10 Awards & Recognition Committee Chair and Members, Director and Secretary, and the immediate past R10 Director are not eligible for the Award.
- Previous winners of the R10 Outstanding Volunteer Award are not eligible.

Nomination Conditions

The Nomination Form must be completed by a Proposer and a Secunder who are familiar with the work and contribution of the candidate. Both Proposer and Secunder must be IEEE members of any membership grade. The nominations must be made through the Section Chair, who must endorse and sign the Nomination Form (the Chairperson may also act as Proposer or Secunder).

Nominations must be received by the IEEE Region 10 Awards & Recognition Committee Chair by the due date in electronic means (pdf file). Make sure that an acknowledgement is received after sending the completed form, or it should be assumed that the submission is not received.

A section shall not put forward more than one candidate at any one time.

Basis of Selection

The following points will be considered in the selection:

- New ideas, developments or projects, which have significantly benefited the Section
- Length of service to the Section. (*Note: It is not a condition that the candidate is working for the Section at the time he/she is nominated*)
- Demonstrated administrative abilities
- Demonstrated leadership skills
- Support for the work of other volunteers who are serving the Section
- Furthering the work and promoting the objectives of the IEEE and of Region 10 in general, and of the Section in particular at Section, Chapter or Student Branch level, or in some other IEEE volunteer activity.

Selection Committee

The R10 Awards & Recognition Committee reviews the submitted nominations, selects and endorses the recipients for approval by the R10 Director. The decision of the R10 Awards & Recognition Committee as approved by the R10 Director is final.

Schedule

- Call for Nominations: **27 March 2019**
- Nomination Deadline: **27 May 2019**
- Evaluation period: **June – July 2019**
- Recipient Notified: **August 2019**

Award Instrument

A Plaque and a Certificate of Recognition will be awarded to the Winner.

One-year IEEE Membership fee (basic membership only) will be subsidized by R10 for the award winner.

**Record**

The IEEE R10 ARC Chair notifies the result of selection by e-mail to the R10 Sections, on the R10 Website and in the R10 Newsletter.

The IEEE R10 ARC Chair also maintains a record of award recipients on the R10 Website.

R10 Humanitarian Technology Activities Outstanding Volunteer Award

(Updated as of 20 March 2019)

Introduction

The mission of Region 10 (Asia-Pacific) Humanitarian Technology Activities (HTA) committee is to inspire scientists and engineers to become socially responsible and be engaged in developing technological solutions to improve living conditions and livelihood of people thus making a difference in peoples' lives in a cost effective and sustainable manner.

To achieve the goals of HTA mission, R10 has established an Outstanding Individual Award for humanitarian technology activities. This award is presented annually to an IEEE member in Region 10 (Asia-Pacific) whose initiatives in Humanitarian Technological Activities had led to the development of projects/products for the betterment of the society.

Purpose of the Award

This purpose of the award is to recognize professional members of IEEE who have made an outstanding contribution to the society through their dedicated work in supporting the livelihood of the people through humanitarian technologies.

Scope

One award will be given per year. If no candidate is found to be suitable, no award will be given in that year.

Eligibility

- An IEEE member belonging to Region 10 (Asia-Pacific) of Member grade or higher in good standing

R10 Humanitarian Technology Activities Outstanding Section Award

(Updated as of 20 March 2019)

Introduction

IEEE R10 has established an Outstanding Section Award for humanitarian technology activities to inspire scientists and engineers to become socially responsible and be engaged in developing cost effective and sustainable technological solutions to improve living conditions and livelihood of people. The award will be presented annually to an IEEE Section in Region 10 (Asia-Pacific) who has taken outstanding humanitarian initiatives which has left an indubitable impact on the society.

Purpose

This award is to recognize the Sections who have done outstanding work in identifying social issues and made efforts to solve those issues through the use of technology or any other means. The objective of instituting this award is to motivate Sections to promote humanitarian technologies and in helping the OUs to plan and implement technologies that might uplift the society.

Scope

One award will be given per year. If no Section is found to be suitable, no award will be given.

Eligibility

All IEEE Sections functioning under IEEE Region 10 (Asia- Pacific) are eligible, except those Sections who have received the R10 HTA Award within FIVE years. Affinity groups and Student Branches can apply for this award through their respective Section.

Nomination Conditions

- The nomination should be only for those HTA / projects which have been undertaken within last five years.
- The nominated Section must have an HTA Coordinator

R10 WIE Outstanding Section/ Student Branch Affinity Group

(Updated on 21 March 2019)

Introduction

The R10 IEEE Women in Engineering (WIE) takes initiatives to provide various values for IEEE members and societies in Asia Pacific Region (R10) and promote achievements of women engineers/professionals. The visions are:

- Promote women in science and engineering in R10
- Motivate and inspire women engineers & scientists
- Foster women's technological skills
- Encourage girls to be engineers & scientists

R10 WIE strongly supports and encourages WIE activities conducted by WIE Affinity Groups (AGs) in R10. Specifically, R10 WIE Committee selects excellent activities and gives R10 WIE funds for them.

Purpose

R10 Women in Engineering (WIE) has instituted both the IEEE R10 WIE Section Affinity Group of the Year Award and the IEEE R10 WIE Student Branch Affinity Group of the Year Award to recognize distinguished WIE Section Affinity Group and WIE Student Branch Affinity Group respectively.

Scope

Based on the merit of each candidate AG, the R10 Awards & Recognition Committee may select one winner in each category for the prevailing contest year. If no AG is found to be suitable, no award will be given in that year.

Eligibility

The IEEE R10 WIE Section / Student Branch Affinity Group of the Year Awards are given annually to WIE Section / Student Branch Affinity Groups in R10 that have shown outstanding initiatives and performance in organizing activities. The awards are based on programs that took place during the period of 1 January to 31 December of the preceding year.

R10 Young Professionals Outstanding Volunteer Award

**** One award each for Academician and Industry Practitioner**

(Updated on 22 March 2019)

Introduction

IEEE Region 10 (R10) places very high priority to assist young professionals in their early career by creating opportunities to network, refine and plan their career goals, and learn soft skills to boost their chance for success. IEEE Region 10 recognizes the vital role volunteers play in realization of these objectives and has launched the Young Professionals Volunteer awards to motivate and recognize the efforts and achievements of those individuals who have made substantial contribution to IEEE and Young Professionals Affinity Groups. The award will be conferred upon two young professionals; one from academia and one from industry, whose substantive projects or achievement of a relatively short nature (one to three years) have left an undeniable imprint on the fabric of Young Professionals operations within Region 10.

Purpose

The Region 10 Young Professionals awards aim to encourage the high-spirited volunteerism and contributions of individuals and showcase their initiatives that has benefited a larger volume of Young Professionals.

Scope

Based on the merit of candidates in each category, the R10 Young Professional Activities Committee will select the three winners for the prevailing contest year. If no candidate is found to be suitable in any category, no award will be given in that category for the contest year.

Eligibility

Academician

- The individual nominated must be a Young Professional member and from academia, at the time of nomination.
- The individual should have made substantial contribution to the activities of Young Professionals in their Section, which have directed to the fulfillment of one or more of the goals and/or objectives of MGA Young Professionals. The activity mentioned will be considered only if it is reported in the L31 Meeting Reports.
- The individual should not have received the same award in the past three years.

Industry Practitioner

- The individual nominated must be a Young Professional member from Industry, at the time of nomination.
- The individual should have made substantial contribution to the activities of Young Professionals in their Section, which have directed to the fulfillment of one or more of the goals and/or objectives of R10 and MGA Young Professionals. The activity mentioned will be considered only if it is reported in the L31 Meeting Reports.
- The individual should not have received the same award in the past three years.

Nomination Conditions

- The nominee should be a member of IEEE and should be residing in the geography of IEEE Region 10

- Any IEEE member can nominate a potential candidate for the award (no self-nominations) and it should be endorsed by the respective Young Professional Chair or Chairman of the Section.
- Nomination form is available at <http://yp.ieeer10.org/awards/>
- The complete nomination document should be sent as pdf before the mentioned deadline backed up by any supporting documents (if any)

Basis of Selection

The following points will be considered in the selection:

- The contributions of the individual that created an impact and added value to the membership of IEEE Young Professionals
- The long standing impact of the activity or activities organized by the individual towards the goal of IEEE Region 10 Young Professionals
- The nominations will be evaluated and ranked by the expert team designated by Region 10 Young Professionals Committee based on the merit of the candidate

Selection Committee

An expert team designated by Region 10 Young Professionals Committee will evaluate the nominations.

Schedule

- Call for Nominations: 27 March 2019
- Nomination Deadline: 27 May 2019
- Evaluation period: June – July 2019
- Recipient Notified: August 2019

Award Instrument

A Plaque and a Certificate of Recognition will be awarded to the Winner.

One-year IEEE Membership fee (basic membership only) will be subsidized by R10 for the award winner.

Presentation

The award will be presented during the R10 SYWL Congress if scheduled for the year, with winner attending on self-funding basis. Otherwise, the award will be handed over to the respective Section Chair during the Region 10 Annual meet for presentation to the winner during an appropriate local event.

Record

The IEEE R10 Young Professionals Activities Committee Chair notifies the result of selection by e-mail to the R10 Sections, on the R10 Website and in the R10 Newsletter. The IEEE R10 ARC Chair also maintains a record of award recipients along with a short description of their citation on the R10 website.

R10 Young Professionals Outstanding Section Affinity Group Awards

(Updated on 22 March 2019)

Introduction

IEEE Region 10 (R10) places very high priority to assist young professionals in their early career by creating opportunities to network, refine and plan their career goals, and learn soft skills to boost their chance for success. R10 encourages and financially supports Young Professional Affinity Groups in the region to conduct activities beneficial to the members and realize R10 objectives. R10 has launched the Young Professionals Affinity Group awards to motivate and recognize the efforts and achievements of Young Professionals AGs. The award will help Young Professionals AGs in its membership development by member's satisfaction. The award will be conferred for one best Affinity group who have done quality activities and have secured high member increase and retention.

Purpose

The purpose of this award is to recognize the achievements and activities of one best outstanding Young Professionals Affinity group in Region 10. This recognition will motivate the winners to do even better and serve as examples for others to follow.

Scope

Based on the merit of each nomination, the R10 Young Professionals Activities Committee will select one winner for the prevailing contest year. If no Young Professionals AG is found to be suitable, no award will be given in that year.

Eligibility

- Only Young professionals Affinity groups in Region 10 are eligible to apply.
- An organizational unit (i.e. a Section or an Affinity Group or other) will not be eligible to receive the same award twice within five years.
- The AG must have done at least four activities for its members and must have held a minimum of three administrative meetings a year and submitted reports on time. The activity mentioned will be considered only if it is reported in the L31 Meeting Reports.
- The AG must have had substantial retention rate and growth in terms of its membership.
- The AG must have done activities in collaboration with Industry or Academia or both.
- They must have done at least one STEP event a year, facilitating transition from the student member to member grade.

R10 Educational Activities Outstanding Group Award

(updated as of 18 March 2019)

Introduction

The IEEE R10 Educational Activities (EA) Group Award aims to recognize groups of IEEE members for the efforts and dedicated contribution in the promotion and implementation of educational activities in the following areas.

- Foster the improvement of education through the process of accreditation engineering, engineering technology, computer science, and applied science programs.
- Dedicated contribution to the design, delivery, and support of continuing education courses and programs in the fields of interest to IEEE
- Volunteering of time and effort for the informal education community
- Outstanding educational innovation in the field of interest of IEEE and whose innovation has made a major impact and been emulated outside the individual's immediate environment
- Work in a pre-university school and those who influence school-based activities for pre-university students.

Purpose

IEEE R10 EA Group Award has been established to recognize Section, Student Branch and other Affinity Groups which have exhibited exemplary and substantive leadership of an extraordinary nature in implementing activities in the scope of EA, as stated above, at the local, regional, national, and/or international level. The accomplishments of the group should be of "significant performance" and should have made a distinguishing contribution to IEEE R10 EA.

Eligibility

- IEEE Region 10 EA Group Award targets IEEE R10 Section, Student Branch, Women in Engineering (WIE), Young Professional and Life Members Affinity Groups.
- Nominated group must be led by IEEE R10 member(s) in good standing and the group has made an identifiable creative achievement and/or a significant contribution toward the scope of R10 EA.
- Nominated group's achievement and contribution must have been made within last 3 years for this award.
- A member of the R10 EA subcommittee cannot be involved with the nominated group.
- Nominated group must not have received the IEEE R10 EA Award(s) within the last 3 years.

Schedule

Call for Nominations – April 20, 2019

- Contribution for the scope of R10 EA
- Quality of activities and programs
 - Purpose and objectives
 - Achievements and measurable impact
 - Support from the Section
 - Collaboration with Student Branch/YP/WIE Affinity Group or other groups
 - The number of participants
- Quantity of activities and programs.
- Other factors
 - Uniqueness of the approach
 - Outreach & societal implication
 - Size of Section

If no candidate is found to be suitable, no award will be given in the year.

Selection Committee

This selection is to be decided by a selection committee appointed by the IEEE R10 EA coordinator. The decision of the Selection Committee is final.

Award Instrument

A Plaque and a Certificate of Recognition will be awarded to the Winner.

Presentation

The 2019 IEEE Region 10 EA Volunteer Award will be presented to the primary delegate(s) from the Section(s) that the winner(s) belong to, at the R10 Annual Meeting. The Award to be further presented to the winner(s) at appropriate occasions of the Sections. If the winner(s) or representative(s) of the winner(s) are able to join the R10 annual meeting without any financial support from R10, it is possible for the Award to be directly presented to them at the meeting.

Record

The IEEE R10 EA Coordinator notifies the result of selection by e-mail to the R10 Sections, on the R10 Website and in the R10 Newsletter. The IEEE R10 EA Coordinator also maintains a record of award recipients on the R10 Website.
