• Section Highlights

- Pune, one of the largest urban agglomerations of India, is located in western Indian State of Maharashtra. The city is one of the biggest industrial towns in India and an important educational, industrial, and cultural center. Pune hosts several universities and well-known institutions, and research organizations. The city also houses large number of industries in the field of Information and Communication Technology (ICT), automobile, electrical, electronics, forging, foundries and other engineering Industries. More than one hundred thousand skilled engineering professionals are working in and around the city. The strength of students studying in various disciplines in the city exceeds two hundred thousand.
- IEEE Pune Section (R0 01 20) was established on June 26, 2010 with terrestrial boundaries confined to Pune Metropolitan City (Postal Code: 411001 to 411999). The Section falls under the jurisdiction of Asia Pacific Region (R-10) of IEEE. Prior to that it was a subsection of IEEE Bombay Section since June 20, 2003 till its formation. At present, the Pune Section has more than 300 professional members and over 1100 other members, including student members. There are 19 IEEE Student Branches in different Engineering Colleges in and around Pune City.
- The Section interfaces with the industries and academia through various technical and humanitarian activities. Section organizes various activities throughout the year, which are helpful to the professional members as well as for student's community for their skill set up gradation. The Section and its student branches endeavour to contribute to the advancement of the knowledge of its community through activities that provide professional information exchanges and stimulate technological innovations. Meetings of the Section officers, interactions with the Student Branch Counselors and representatives are held on regular basis to discuss the ideas and plans for activities.

- Major Events (International, National)
 1. IEEE Creating Student Awareness Programme, 21st September 2013
I²IT Pune, 89 Groups participated Nationwide, 523 schools Covered in Urban and Rural areas. Execom Members were the Judges for finals.
 2. Workshop on Electricity Laws, Consumer Rights and Safety, on 15th October 2013 at PVG COET, by Mr. V.L. Kulkarni Mumbai.
 3. DL lecture on “Technology Circuit Co-Design for Nano-Scale Era” by Rajiv V. Joshi, Fellow IEEE, IEEE EDS DL, Research Scientist, IBM, T. J. Watson Research Center, NY. On 12th naj 2013 was organized at PICT Pune
A total of 139 persons (15 IEEE Members, 124 IEEE Student Members) attended this lecture in presence of Dr. P. T. Kulkarni, Principal, PICT, Dr. R. B. Ingle, Chairman, IEEE Computer Society Pune Chapter, and also Branch Counselor, PICT IEEE Student Branch and a number of faculty members
 4. World Tele Communications Day at IEI Pune. on 17th May 2013, Theme : ICTS and improving Road Safety, Presentations by Mr. Manish Patil, Head R & D, Rajdeep Infotechno Pvt. Ltd, Pune on Highway traffic management. Group of students from PVG COET presented their project work on road safety.

- Major Chapter Activities
 1. National Workshop on “Power Quality Assessment and Mitigation” was organised by PES/IAS chapter on 15th June 2013 at PVG’s COET, Pune
 2. IEEE Computer Society has organized series of workshops and talks on “How to avoid and guard against plagiarism” in 2013.
 3. DL lecture by Dr K Ramkrishnan, AT & T Labs, “Networking the Cloud: Enabling Enterprise Computing and Storage, 22nd August 2013, Tech Mahindra, Hinjewadi, Pune. and VIT, Pune IEEE Communications Society Chapter
 4. DL lecture on “Signal Processing for Diagnostic Medicine”, by Prof. V John Mathews University of Utah on 26th July 2013 (Saturday), PES Modern College of Engineering Pune

- Major Student and Affinity Group Activities
 1. A Seminar on “Conscious Parenting” was organized on 17th July 2013 by Women in Engineering Affinity Group at PES Modern College of Engineering Pune. Speaker was Mrs. Revati U. Godbole.
 2. A workshop on “Effective Time and Stress Management for working women” was organised by Women in Engineering Affinity Group by on 25th February, 2013 at P.E.S.’s Modern College of Engineering, Pune.

3. Credenz 2013, by PICT IEEE Student Branch was organised at Pune.
 4. “Innovation 2013” on 8th and 9th march 2013 at Cummins College of Engineering for Women Pune.
 5. I2It Student branch organized, IEEE Pune Sections event IEEE Creating Student Awareness Programme, 21st September 2013, 89 Groups participated Nationwide, 523 schools Covered in Urban and Rural areas. Execom Members were the Judges for finals.
- Awards
 1. IEEE-Pune Section - MGM Section Award, INR 54500
 2. IEEE Pune Section - R10 EAC Continuing Education - Y0169, INR 21844

PART B - ORGANIZATIONAL ACTIVITIES

B.1 Membership Development Activities

- Total number of active members in the past 3 years.
- Summary and evidence of work done to improve the value of membership, which leads to retention and growth of members

B.2 Chapter Activities

- Total number of Chapters in the Section
Four chapters:
 1. IEEE Communications Society Chapter
 2. IEEE Computer Society Chapter
 3. IEEE Signal Processing Society Chapter
 4. IEEE PES/IAS Society Chapter
- Number of Chapters formed in the current year
EDC society chapter in process
- Number of Active Chapters : Four
- Summary of Chapter activities chapter wise with attachment table / information
 1. IEEE Communications Society Chapter
 - i) One day workshop on “Teaching Methodology for Electromagnetic Engineering to make the subject interesting “ was arranged jointly with IETE Pune Centre on Feb. 5, 2013 . The workshop was specifically designed for young teaching faculty in Electronics and Telecommunications engineering with a view to enable teachers to have conceptual understanding of difficult mathematical formulations in Electromagnetic Engineering.
Total of 3 technical sessions of two hour duration each were arranged as per details given below :
 1. Prof. Ashutosh Marathe , Dean Quality V.I.T , Pune delivered a session on Electrostatics.
 2. Prof. S. Anantkrishnan , University of Pune delivered a session on Electromagnetics.
 3. Prof. G. S. Mani , Ex – Director DIAT , Pune delivered a session on Time varying electric and magnetic fields.
 All the three sessions were quite interesting and well received by the teachers present
 - ii) The Institution of Engineers (India) Pune Local Centre and IEEE, Pune Section Celebrated World Telecommunication Day on “ICTS and improving Road Safety” in Firodiya auditorium of the Institution of Engineers , shivajinagar on 17-May-2013 at 6.30 p.m. The chief guest for the function was Dr. P. J. Joglekar, FIE , Symbiosis institute of Telecom Management.
 - iii) Talk/ lecture by Dr K K Ramkrishnan on “Networking the Cloud: Enabling Enterprise Computing and Storage” on 2013-08-22 at VIT Pune.

2. IEEE Computer Society Chapter

- i) IEEE Computer society chapter is organized an interactive session/talk on "Technology Circuit Co-Design for Nano-Scale Era" by Rajiv V. Joshi, Fellow IEEE, IEEEE DS DL
Speaker: Rajiv V. Joshi, Fellow IEEE, Research Scientist, IBM, T. J. Watson Research Center, NY.
Title: Technology Circuit Co-Design for Nano-Scale Era
Time: 10.00 a.m. to 11.00 a.m.
Date: 12th January 2013 (Saturday)
Venue: Seminar Hall C 005, PICT Pune.
- ii) A Talk and technical session on "How to avoid and guard against plagiarism and tools" was conducted at RMD Sinhgad School of Engineering, Warje for Post graduate students in Computer Engineering on 2013-08-13.
- iii) Talk and technical session on "How much money do spammers make from your website? A study to find out spammers revenue." By Dr. Vidyasagar Potdat, Curtin University Australia, and "Visual Demonstrations of a Novel Technology to Solve Complex Problems of Large Software" By Dr. Suraj Kothari Iowa State University USA on 3rd Dec 2013 at ACTS, CDAC Pune.

3. IEEE Signal Processing Society Chapter

- i) IEEE Signal Processing Society Pune Section and IEEE- WIE Affinity Group, Pune section has organized Sixth Signal Processing and Image Processing Project Competition for Final Year Engineering (UG & PG) students. The competition aimed to provide the forum for our budding engineers to display their ideas and to give the expertise guidance, exclusively in the field of signal and image processing, 36 project groups from different colleges participated in the competition. The competition was held on 10th June, 2013 at 11.00 am at Electronics & Telecommunication Department, SKNCOE, Pune- 41. Projects were evaluated on the basis of relevance to our focused areas, originality, technical strength, applicability, methodology and approach, hardware/ software implementation, presentation and understanding. Experienced Industry people were invited for the same.
- ii) A one day workshop on "Introduction to Labview" was arranged by IEEE Signal Processing Society, Pune Chapter at Department of Electronics and Telecommunication Engineering, PES's Modern COE, Pune on Thursday, 29 August, 2013.
LabVIEW (short for Laboratory Virtual Instrument Engineering Workbench) is a system-design platform and development environment for a visual programming language from National Instruments. Mr. Abhay Lolekar, Infosys, Pune was invited as guest speaker

4. IEEE PES/IAS Society Chapter

- i) Event on SMART GRID for Synergy in Energy, on 2013-09-23 in association with IEEE Student Branch of PVG College of Engineering & Technology, Pune, India.
- ii) The National Workshop on Power Quality Assessment and Mitigation was jointly organized by Electrical Engg. Dept., Knowledge park, PVG's COET, Pune along with IEEE PES/IAS Chapter, Pune Section and Institution of Engineers, (PLC) on 15th June 2013.

B.3 Professional and Continuing Education Activities

Summary of continuing Educational activities including conferences, technical activities, training courses, and distinguished lecture programs with attachment table / information

1. Creating awareness program of pune section has helped more than 15 lacks students so far.
2. May events like, a workshop on” Effective Time and Stress Management for working women” was organised by Women in Engineering Affinity Group by on 25th February, 2013 at P.E.S.’s Modern College of Engineering, Pune, conducted By IEEE Pune Setcion.
3. A workshop on “LaTex – A Documentation Tool” on 8th march 2013 at Symbiosis Institute of Computer Studies and Research (SICSR), Pune
4. A workshop on” Effective Time and Stress Management for working women” was organised by Women in Engineering Affinity Group by on 25th February, 2013 at P.E.S.’s Modern College of Engineering, Pune

B.4 Students Activities

1. Total number of Student branches in the Section-

16 Student branches

2. Number of Student branches formed in the current year.

Branches formed in 2013

1. Caymet's Siddhant College of Eng, Pune
2. Jayawantrao Sawant College of Eng Pune
3. Symbiosis Institute of Technology, Pune

3. Section level student activities (student congress, paper and other contests, awards etc)

Student Awareness Activity 2013 Hosted by I²IT IEEE Student branch.
Students Congress

4. Number of Active Student branches (Student branches who have reported required number of meetings during the year)

			Mr. Rajkamal Mahapatra	Manager -Training, Global Information System Technology Pvt Ltd, bangalore

3. Sinhgad College of Engineering IEEE Student branch

Sr. No.	Activity	Date	Description
1	F. D P. ON Embedded Image Processing	06/05/2013 to 10/05/2013	Faculty Development program was conducted for faculty as well as P.G. students. 56 candidates have participated. Speakers from Industrial organizations and Academics were called as speakers.
2	National conference on Latest Trends in Electronics and	23/10/2013 to	National conference on Latest Trends in Electronics and Telecommunication was

	Telecommunication (NCLTE-2013).	24/10/2013	organized for P.G. students and Faculty. 70 participants have participated.
3	Brain Twister Quiz for S. E. Students	19/08/2013	Quiz (Technical and Nontechnical) has been organized for S. E. students. 28 Teams have participated.
4	Debate Competition for S. E. Students	26/08/2013	Debate competition has been organized for S. E. Students. 14 groups have participated.
5	Paper presentation competition for T. E. and B. E. students	11/09/2013	Technical paper presentation competition organized for T. E. and B. E. Students. Techniques for literature survey, formatting of paper and presentation were evaluated.

4. BHARATI VIDYAPEETH DEEMED UNIVERSITY COLLEGE OF ENGINEERING, IEEE STUDENT BRANCH

Sr. No.	Activity	Date	Description
1.	Student Awareness Contest 2013	21 September 2013 (Duration provided for this activity was from August to September 10 , 2013)	Student Awareness Contest 2013 was organized by international Institute of Information Technology (I ² IT), Pune for students of Engineering Colleges. In this activity, 4 groups participated

5. Modern College of Engineering – 26th July 2013 – Distinguished Lecture.
6. Our Student Awareness Activity 2013 is in progress which was announced in July 2013 and the finals will be conducted in 27 Sept 2013 , Hosted by I²IT IEEE Student branch.
7. IEEE Student Branch - PVG College of Engineering – Students Paper Contest.
8. IEEE Student Branch – PICT – 2 Students (Hrishekesh Saraf and Harshita Gangrade) deputed for EEE Region 10 Congress to be hosted by Hyderabad Section from July 11-14, 2013

B.5 Affinity Group Activities

- GOLD – Introductory session on gold activities
- WIE
 - i) A guest lecture was arranged as s first activity for the year 2013, under the WIE Affinity group, Pune Section at the Department of Electronics and Telecommunication Engineering, P.E.S.'s Modern College of Engineering, Pune on Monday, 25th Feb 2013 from 3 to 5 pm. The topic was “Effective Time and Stress Management for working women”. The theme of the lecture was decided keeping in view of the problems faced by working women. A brief introduction was given about the IEEE activities conducted under IEEE, Pune Section. The introduction of IEEE – Women In Engineering, Affinity group, Pune Section was given by Mrs. Rupali. Kamathe, Chair of WIE Affinity Group, Pune Section.
 - ii) The IEEE- Women in Engineering Affinity Group, Pune Section along with Symbiosis Institute of Computer Studies and Research (SICSR),

Pune, conducted a workshop on “LaTex – A Documentation Tool” on the occasion of Women’s Day on 8th March, 2013. It was held in a well equipped computer laboratory of SICSR campus.

- iii) IEEE Signal Processing Society Pune Section and IEEE- WIE Affinity Group, Pune section has organized Sixth Signal Processing and Image Processing Project Competition for Final Year Engineering (UG & PG) students. The competition aimed to provide the forum for our budding engineers to display their ideas and to give the expertise guidance, exclusively in the field of signal and image processing, 36 project groups from different colleges participated in the competition. - Life Member - Meeting

B.6 Awards & Recognition Activities

- Award constituted by the section- NIL
- Award(s) received from R10:
IEEE Pune Section - R10 EAC Continuing Education - Y0169, INR 21844
- Award(s) received from IEEE HQ
IEEE-Pune Section - MGM Section Award, INR 54500

B.7 Communication Activities (Newsletter, Home Page, E-mail etc.)

- Newsletter (name and number of issues in the year)
IEEE Pune Section Newsletter, 6 issues in the year
<http://ieeepunesection.org/newsletter/>
PING, PICT IEEE Newsletter Group, 2 Issues in a year
- Home Page of the section (give the URL and frequency which it is updated)
<http://ieeepunesection.org/> each week updated
- Other means of contacts with section members
Mailing list and Montly meetings

B.8 Industry Relations

- Membership growth and retention
We organize events at Industry, membership development chair is also appointed each year
- Activities for/with industrial members
DL lectures, Workshops, Conferences and participation in students events

B.9 Humanitarian Technology Activities

B.10 Community Activities

- IEEE Social activities (Family day, IEEE day, Engineers Week)”
We celebrate IEEE day each year,
We also celebrate world telecom day and woman’s day in association with IE and IETE, etc

PART C - OTHERS

C.1 Relationship with National Societies

We have a very good collaboration and relation with IE, CSI, IETE etc and organize various events in their collaboration, Few of our execom members are active and office bearers in these national societies, i.e. Dr. Doke is Chair of IE Pune section, Dr. Rajesh Ingle, Secretary, Computer Society of India.

C.2 Special Events

Creating awareness program is a special event of IEEE Pune Section and more than 15lack students are covered under this event.

C.3 Problems to be anticipated

Regional boundary while organizing events
Rebate/ Operational expenses are not received for last two years

C.4 Best Practices of your section

Regular execom meetings and participation by execom members in local events.

PART D - GOALS AND PLANS

D.1 Continuation of Project/Activity in Progress and Their Implementation Plans,

1. INDICON 2014, 11,12,and 13th December 2014, Yashada, Pune
2. Wesi 2014, The IEEE IAS Workshop on Electrical Safety in India will be held November 19-21, 2014 at the Hotel Le Meridian, Pune India . The IEEE IAS Electrical Safety Workshop is the premier forum for accelerating advancements in workplace electrical safety.
3. IEEE CS Students Congress, December 2014
4. Creating awareness program 2014

D.2 Goals and Future Plans

1. IEEE Electron Devices Society chapter formation
2. Gold affinity group
3. Organising prestigious IEEE conferences like Tencon in coming years
4. Establishing workshop/conference in each chapter of pune section
5. Collaborative events with other sections and other technical societies
