Proposal for New e-Notice Policy
IEEE R10 Annual General Meeting – 7 March, 2020

Takako Hashimoto
2019-2020 R10 Secretary
The current R10 e-Notice policy and fee was introduced and discussed during the R10 EXCOM meeting in 2014 and subsequently approved at the 2014 R10 AGM

Purpose: Region 10 should not flood mailboxes of our members.

We impose the following policy on the usage of e-notice.

- Conferences and events organized and/or financially supported by Region 10 OU(s) can use e-Notice.
- Conferences and events which are not focused on any particular technical areas and are also expected to be participated by members from all over Region 10 from Region 10 Director's perspective can use e-Notice.
- Other conferences and events may use e-Notice for the merit of the Region.
- The fees collected through the usage of e-Notice will be used to cover a part of the cost for Student/Young Professionals/WIE Congresses and other specific programs/projects organized by the Region 10.

e-Notice fee

- US$ 300 for one e-Notice
- US$ 500 for two e-Notices
Proposed Agenda

Offer different fees depending on where conferences and events are held

- **Submitted by:** Takako Hashimoto, IEEE R10 Secretary 2019-20
- **Issue:** Regarding the e-Notice fee, different fees depending on where conferences and events are held should be offered
- **Proposed Action:** The following R10 e-Notice policy and fee to be maintained
  - Inside R10
    - US$ 300 for one e-Notice
    - US$ 500 for two e-Notices
  - Outside R10
    - US$ 400 for one e-Notice
    - US$ 800 for two e-Notices
  - The fees collected through the usage of e-Notice will be used to cover a part of the cost for Student/YP/WIE/LM Congresses, supporting small (sub-)Sections, and other specific programs/projects organized by the Region 10
