# Region Realignment

- ▶ Discussion started in March 2018 to improve diversity at Board level
- ▶ Some concrete plans have been proposed by Regions 8 and 10 from 2019 onward
- ▶ Intensive discussions in November 2019 and February 2020
- ▶ MGA asked MCI, an independent third party, to look at ways to create ten Regions from the world
- ▶ In November 2020, MGA Board unanimously agreed to have 6 Regions in the Americas and 4 Regions in Eurasia, Africa, and Oceania, while not everyone's first choice.

**Thank you very much**
