17	Ethics	Dr. P. Suresh Chander Pal	-

### Society Chapters:

IEEE Madras Section has 25 Technical Society Chapters and 4 Affinity Groups. The table below indicate the Technical Society Chapters, Affinity groups and their respective Chairpersons.

### Technical Society Chapters

Sl.No.	Society Name	Chairperson
1	Aerospace and Electronic Systems (AES)	Dr. A. Nagappan
2	Antennas and Propagation (APS)	Dr. S. Joseph Gladwin
3	Computer Society (CS)	Dr. P. Sakthivel
4	Communications (COMSOC)	Mr. P. Subramanian
5	Computational Intelligence (CIS)	Dr. N. Kumarappan
6	Control Systems (CSS)	Dr. R. Hariprakash
7	Engineering in Medicine & Biology (EMBS)	Dr. B. Santhanaraj
8	Education (ES)	Prof. M. Ramalatha
9	Electromagnetic Compatibility(EMCS)	Dr. Subbarao Bandaru
10	Industrial Applications (IAS)	Dr. S. Rajavel
11	Information Theory (ITS)	Dr. B. Paramasivan
12	Instrumentation and Measurement (IMS)	Dr. U. Ramachandraiah
13	Microwave Theory and Techniques (MTTS)	Dr. S. Salivahanan
14	Nano Technology Council (NTC)	Dr. R. Devanathan
15	Power and Energy (PES)	Dr. R. Sarathi
16	Power Electronics (PELS)	Dr. V.T. Sreedevi
17	Product Safety Engineering (PSES)	Mr. V. Jayaprakasan
18	Professional Communication (PCS)	Mr. H.R. Mohan
19	Photonics (PS)	Mr. T.N. Subash
20	Robotics and Automation (RAS)	Dr. P.A. Manoharan
21	SIPCICOM	Dr. Krishnan Nallaperumal
22	Social Implications of Technology (SITS)	Mr. C. Jinesh
23	Technology and Engineering Management Society (TEMS)	Mr. S. Sundaresh
24	Electron Devices – Chennai	
25	Electron Devices – Coimbatore	Dr. Nirmal Kumar

## Affinity Groups:

Sl.No.	Affinity group Name	Chairperson
1	WIE Affinity Group	Dr.V. Vydeki
2	Young Professional	Dr.S. Elangovan
3	SIGHT	Mr. Vincent Jain
4	ADSF SIGHT	Mr. Vincent Jain

## Section Highlights:

### 1. 2016 IEEE MINI POCO (Panel of Conference Organizers):

IEEE Madras Section organized an one day 2016 IEEE Mini POCO (Panel of Conference Organizers) meet, on 28<sup>th</sup> February 2016 at Hotel Deccan Plaza, Chennai, Tamilnadu, INDIA, jointly sponsored by IEEE Madras section and IEEE Region 10 (Asia Pacific Region). In this mini POCO over 100 attendees from different parts of India had opportunity to acquire knowledge, network and exchange ideas related to conduct of conference, preparation of paper, their review etc. among them. The event attendees included IEEE members, Non-Members, Members of other professional organizations, faculties and researchers representing various engineering and technology institutions across the country.

Dr. R. Hariprakash, the Organizing Chairman of this event -2016 IEEE Mini POCO, delivered the welcome address insisted the need of such conference organizers meet and the importance of creating awareness about the quality and global standards to be followed by conference organizing institutions. Shri.K.Ramakrishna, IEEE R10 (Asia Pacific Region) Director, While delivering the inaugural address, stressed the importance of IEEE and the future projects of IEEE. He also briefed the superiority of the IEEE over other professional organizations. Dr.M.A.Atmanand Chairman IEEE Madras section in his address emphasized on the importance of quality of the research papers and appreciated the efforts taken by the organizing committee. He also shared his views on the interest shown by the participants and the plan to have one more Mini POCO by Madras section in the months to come. Mr.H.R.Mohan, Vice Chair IEEE Madras section in his felicitation address stated that Conferences are the best platform for exchange of ideas and for networking. There is a great expectation from our community to know the various avenues available for sponsorships for organizing a conference. Dr. P.Sakthivel, Treasurer offered formal vote of thanks, which concluded the Inaugural function of mini POCO 2016.

The technical sessions followed with first session by Dr.T.Thyagarajan, Director, Center for University Industry Collaboration, Anna University who delivered a presentation on “Strategic Planning and Quality aspects for a good conference”. He emphasized the needs for conference event planning, timeline management, implementation and execution, the importance of team work for a successful conference with high quality. After the tea break, the second session was on “Challenges in Peer Review and Scholarly Publications” by Dr.M.A.Atmanand, Chair, IEEE Madras Section and Former Director, National Institute of Ocean Technology, Chennai. He highlighted on Impact factor, H-Index, Citation Index (CI), Eigen Factor (EF) and the system to be developed for peer review process.

The next session on “Plagiarism screening with Cross Check – Innovative Tools” was presented by Shri.T.S.Rangarajan, Principal Consultant ,Tata Consultancy Services. He presented the insight view of Plagiarism-cross check tool and the after effects of detecting plagiarism publications. He advised the researches to leverage the Intellectual Property Rights (IPR) team and staff of IEEE for assistance. The attendees after the lunch break had a presentation on “How to write a good Journal Paper “ by Prof. V. Jagadeesh Kumar, Professor, Indian Institute of Technology (IIT), Madras. In his, presentation, he briefed the concepts and characters of good paper, literature survey, research survey, journal selection etc.; He shared his experience on the expectations of a Technical Program Committees for selection/acceptance of journal papers.

Prof.R.Hariprakash, Dean (E & T) Meenakshi Group of Institutions and organizing chairman of this event Mini POCO, presented on “IEEE Conferences Best Practices in Key Areas”. In his presentation he insisted the importance of best practices to be followed for a quality and standard conference. The best practices to be followed in key areas namely the conference formation, finance management; Technical program committee, Sponsorship and Approval process, Publications and marketing were presented. The availability of webinar series, e-learning modules and the IEEE MCE leadership of excellence and its operations were highlighted by him. Mr. Harish Mysore, Director IEEE India Operations presented on the “Formats, Funding procedures for IEEE Conferences”. Mr.Harish Mysore also presented the steps involved in preparation of application and submission of proposals for funding from IEEE. He informed the attendees the initiatives taken by IEEE for development of materials by IEEE MCE, and requested all to utilize the services of his office for any assistance.

The 2016 IEEE mini POCO concluded with formal vote of thanks by the Dr.R.Hariprakash, Organising Chair. He expressed his sincere gratitude to all for their contributions for the success of this event. He also thanked the IEEE

Madras section and R10 office bearers & members. The attendees represented by Prof. Aaditya Lohana, Director of Universal Education, Mumbai conveyed thanks for the organizers for meticulously organizing this event, the speakers for the event and wished more such programs are conducted for the betterment of teaching community. There was unanimous opinion and desire among the participants to have many such Mini POCOs and appreciation were lauded to the organizers for this initiative to organize this event.

More than 100 participants from various educational institutions from Uttarakhand, Kerala, Punjab, Karnataka, Mumbai, Andhra Pradesh, Telangana and Tamilnadu attended this 2016 IEEE Mini POCO.

## **2. IEEE Chennai Hub Congress:**

The two-days, IEEE Chennai Hub Congress 2016 (CHC-2016) was hosted by the Jeppiaar Institute of Technology SB on 8<sup>th</sup> and 9<sup>th</sup> Apr 2016. The objective of this congress was to create awareness on IEEE and how the membership in IEEE can be leveraged for advancement. Students from colleges like Sri Muthukumar Institute of Technology, Sastra University, Sri Sai Ram Engineering College, Sri Sairam Institute of Technology, SSN College of Engineering, Panimalar Institute of Technology, College of Engineering Guindy and Velammal Engineering College registered enthusiastically for this grand event. Various speakers at the congress and panel discussion included:

- Dr. MA Atmanand, Chair - IEEE Madras Section,
- Mr. HR Mohan, Chair - IEEE Madras Section SAC.
- Dr. Celia Shahnaz, IEEE R10 WIE Coordinator,
- Mrs. Vydeki Vijayakumar, Chair - IEEE WIE Madras Section.
- Mr. Ashwin & Ms. Niveditha, Students from VIT.
- Ms. Vishakha Khona, Developer at TCS.
- Mr. Santhosh Karnananda, Director Strategy at ICARE.
- Dr. Ulhas J Vasave, CEO, J V Gokul Charity Trust.
- Mr. Issac John Wesley, CEO, Ink monk.
- Mr. Shreyas, Mozilla Ambassador
- Ms. Kamala Tamilvanan, Business Development Executive, School of Excellence.
- Mr. Sanju Sony Kurian, Technical Lead, Kings Learning.
- Mr. Sasi Kumar, AP, Jeppiaar Institute of Technology.
- Mr. Chelliah Ramachandran, Regional Student Ambassador.
- Mr. Vijay Srinivas, IEEE R10 ECIM.
- Mr. A Aravindhan, Regional Student Ambassador.

College Director Dr. N. Marie Wilson and Principal, Dr. V. Kannan participated in the inaugural, which was presided by Dr. M.A. Atmanand. Mr. H R Mohan pointed out that this is the first Hub Congress in Madras. He appreciated the works of Mr. Jamal Mohamed and Mr. Susheel, Organizers of the IEEE Chennai Hub Congress 2016 as well as Mrs. Benisha M, SBC and Mr. Selvin Pradeep Kumar, SB Mentor. Dr. Celia Shahnaz, IEEE R10 WIE coordinator opened the Student Branch Activity Center.

Various sessions during the congress included presentations on: Ocean Observation; WIE Awareness; Nuclear Plasma Science and Society; IEEE and Membership Retention; IEEE Technical Society Chapters & Best Practices; How to think about your career; Social Entrepreneurship, Establishing & Survival of Start-up; Mozilla Learning Networks and Mozilla Clubs; 7 Streaks to Win Corporate World; Being an Young Professional; How to lead a happy life; IEEE SB Administration. A panel of experience sharing by volunteers and fun activities were also held. IEEE PCS supported ICT Quiz was conducted by Mr. H.R. Mohan, Chair, IEEE PCS and cash prizes were given to those answered the questions.

At the valedictory on the 2<sup>nd</sup> day, after a brief feedback session by the participants, the prizes and certificates were distributed by Mr. H.R. Mohan, Vice-Chair, IEEE Madras Section and the Director Dr. N. Marie Wilson.

## **3. IEEE Coimbatore Hub Congress cum India Strategic Initiative:**

The IEEE Madras Section Young Professionals with IEEE MAS Students Activities Committee, Jansons Institute of Technology IEEE Student branch and IEEE Women In Engineering conducted a two days Coimbatore Hub Congress 2016 (CBEHC – 2016) on 30<sup>th</sup> and 31<sup>st</sup> July 2016 at Sivaganga Auditorium, Jansons Institute of Technology, Karumathampatti, Coimbatore. This Hub Congress 2016 (CBEHC - 2016), served as a meetup of all the student and professional IEEE members to share their experience and volunteerism with each other. This Coimbatore Hub Congress 2016 included the second edition of India Strategic Initiative of IEEE MGA, which includes sessions on Internship preparedness and Entrepreneurship awareness. This programme was professionally and financially

supported by IEEE Region 10, IEEE Madras Section, IEEE MAS Young Professionals and IEEE Women in Engineering. Totally 102 participants registered, out of which 56 were IEEE members and 46 were non IEEE members. The participants were from all the districts of Tamilnadu and Pondicherry.

This two day event was highly informative and served as a field for networking among various student branches not only under Coimbatore hub, but across the section. Some of the inactive student branch officers were enthused with the activities going on at various student branches and assured to revamp their student branches in terms of number of memberships and activities. Some Institutes which does not have IEEE student branch were attracted well and assured to start and keep live of their IEEE student branch.

#### **4. IEEE Day Celebration:**

IEEE Madras Section celebrated the IEEE DAY on 15<sup>th</sup> October 2016 in a grand manner. The Branch Officer Bearers and IEEE Members from various colleges participated in the function. The Function was attended by around 150 members. Dr. M. Anandkrishnan, Former VC, Anna University & Former Chairman, Board of Governors, IIT Kanpur inaugurated the IEEE Day Celebration. The celebration started with a welcome note followed by Presidential Address. Keynote Address was given by the Chief Guest Dr.M.Anandkrishnan.

The Member Achievement Certificates were presented. A Networking Session was organized which began with cutting of IEEE cake. The session was filled with joy and excitement throughout. At the end of this session, gifts were presented to the best networker. A quiz program was conducted on "Know Your IEEE" by Mr.H.R.Mohan. Video Clips on the theme "Leveraging Technology for a Better Tomorrow". The celebrations continued with honouring of the student branches present, and was invited to give a presentation from the selected student branches on the working of their student branches. The importance and credit on elevation of member to Sr. Member presentation was delivered by the IEEE Madras Section Vice-Chair Dr. N Kumarappan.. The presentation on IEEE India Strategic Initiatives on Innovation, Entrepreneurship given by Mr. Nivas Ravichandran. The details about IEEE Xtreme Programming Competition was given by Mr. Prasanth Mohan.

The audience appreciated the usefulness of the program. The event was a grand success with participation of over 150 members who benefited through various events including - presentations, interactions and fun activity.

#### **5. Student Paper Contest 2016:**

In order to encourage and bring together the students talent, technological advancement and learn the latest trends in the area of Electrical Sciences, the IEEE Madras Section in association with IEEE Student Branch of Veltech University organized IEEE Madras Section Student Paper Contest (IEEE MAS-SPC2016) during 21 & 22 October, 2016 at Veltech Dr. RR & Dr. SR University, Chennai. This contest had Oral Paper Presentation sessions to showcase the original contributions and innovations of Under Graduate Students, Post Graduate Students and Research Scholars from various institutions all over the nation. In addition to the student's contribution, few key-note talks on the area of Computing & Information Technology, Electrical, Electronics & Communication Engineering and Mechanical & Construction Engineering was arranged to give exposure to students and participants on latest trends.

IEEE MAS SPC 2016 was an effort to bring together students across the nation with distinguished dignitaries to provide the view of the potential of the research works being carried out. It was aimed to creating opportunities for collaboration to conceive and execute ideas. The paper contest was divided into three technical tracks. Prizes were awarded for the best three papers in each technical track. In this contest, totally 63 members presented their papers. Papers were divided in to three following tracks TRACK 1: Computing & Information Technology, TRACK 2: Electrical, Electronics & Communication Engineering and TRACK 3: Mechanical & Construction Engineering.

Inauguration function started with prayer song and lighting the kuthuvilakku. The Inaugural function was presided by Col. Prof. Dr. R. Rangarajan, Founder Chancellor & President, Vel Tech Dr.RR & Dr.SR Technical University. Welcome address given by Dr. N. Malarvizhi, Professor & HoD, CSE. Prof. Beela Satynarayana, Vice Chancellor, Vel Tech University delivered a Presidential address and then felicitated the delegates.

Dr. M. A. Atmanand, Chairman, IEEE Madras Section chief guest during the inaugural speech encouraged to publish papers in various international conferences followed by publishing papers in journals and to reach out to high quality journals. He advised to choose tough path rather than going easy publishing journals Dr. N. Kumarappan, Vice Chairman, IEEE Madras Section was the Guest of Honor at the inaugural function. In this contest supported by IEEE Madras section, around 63 delegates presented 35 technical papers. The delegates were from leading universities and colleges across India. Twelve technical sessions were organized with 8 Session Chairs from various institutions across the Tamil Nadu. At the valedictory function, Registrar Prof. Dr. E. Kannan, felicitated the Chief Guest Mr. H. R. Mohan, Vice Chairman, IEEE Madras Section and Prof. E. Kamalanaban, CSE, VTU felicitated Guest of Honour Dr. P. Sakthivel, Secretary cum Treasurer, IEEE Madras Section.

Mr. H. R. Mohan, in his valedictory address, stressed the need to update the knowledge and skills and highlighted the impact on research for the benefit of society at large. Dr. P. Sakthivel, stressed about the need for publications, projects and patents. Chief Guest Mr. H. R. Mohan and Guest of Honor Dr. P. Sakthivel presented the best paper awards, cash prizes and certificates to all the delegates. The programme ended the vote of thanks by Dr. N.Malarvizhi, Chair, SPC 2016 / Professor & HoD, CSE. It was one of the successful events of the Section.

#### **6. IEEE Xtreme Programming Competition:**

The IEEE Madras Section in association with IEEE SB organized IEEE Xtreme Programming Competition on 22nd Oct 2016 in which over 50 teams from various colleges participated. This programme was coordinated by Mr. Prasanth Mohan, Coordinator, IEEE Xtreme Programming Competition & a team from Vel Tech Univ., consisting of Dr. E. Kannan, Dr. N. Malarvizhi, Dr. S. Koteeswaran, Dr. T. SenthilMurugan, Mr. R. Vinoth Kumar, Mr. N. Raj Kumar, Mr. P. R. Joe Dhanith, Ms. G. Tamilmani, Mr. S. Vinoth John Prakash from the university. The competition was graced by Mr. H. R. Mohan, Dr. P. Sakthivel, Secretary cum Treasurer and Dr. S. Radha, EC Member

#### **7. ICT Quiz:**

The Section joined the IEEE Computer Society and IEEE Professional Communication Society in organizing the ICT Quiz as a part of the celebrations of the 70<sup>th</sup> Anniversary of IEEE Computer Society. The ICT Quiz attracted 598 participants of 299 teams. The prelims were held online to select the teams for the Regional Orals which were held in five centers, namely KSRCT – Tiruchengode, PIT -- Chennai, SJCE – Chennai, SIT – Trichy and KLNCE – Madurai. The top three regional winners were given cash prizes of Rs. 2500,1500,1000 and the rest Rs. 500. The top winning teams of these five Regional Orals participated in the Finals held at Anna University. The top three winners were given cash prizes of Rs. 10000, 6000, 4000 and the rest Rs. 1000 apart from travel and hospitality for the outstation teams. The top three team members are also received 2017 edition of GK book from Pearson. This event received a funding of USD 1000 from IEEE CS HQ and sponsorship of Rs. 20,000 each from Anjana Soft, Orbit Innovations and Kalpathi Investments.

#### **IEEE Section Newsletter:**

MAS LINK, the newsletter of Madras Section is being published monthly as a eNewsletter and quarterly in print. Both the monthly eNewsletter and the soft copy of the quarterly print newsletter is circulated to all the members of the section including student members. The print quarterly newsletter is sent to all professional members, all IEEE SBs and also to various engineering colleges in TN who are not SBs of IEEE. Each issue of every month is uploaded in the IEEE Madras Section web site in order to reach more number of members around and to add more information. The newsletter includes the following:

1. Chairman's Message
2. Editor's Column
3. Activities reported by the various branches of the section to encourage for better performance.
4. Activities reported by the various Society Chapters.
5. Announcements and reporting regarding the Conferences, Workshops, Seminars, Symposia, etc., coordinated by the Technical Society Chapters and student branches functioning in various institutions.
6. Achievements of professional members.

#### **PART- B: SECTION ACTIVITIES**

##### **Executive Committee Meetings:**

The Executive Committee Meetings are regularly held for every month headed by the section chair to plan the section activities and to sort out the administration activities of the section.

##### **Section Technical Meetings:**

- Technical talk on "Visual Cryptography" by Dr. R. S. Bhuvaneshwaran on 27th Feb 2016.
- Technical talk on "Life as Software Engineer and Final year CS Projects: How to select a meaningful final year project?" on 14th Mar 2016
- Technical lecture on "Digital India, Make in India, Skill India & Startup India" by Mr. H.R. Mohan on 29th Mar 2016
- Technical Talk on "Easy ways to save the Planet - Starting with Your Little Corner of It" by Dr.V. Jayaprakasan on 9th May 2016.

- Technical talk on “Communication Systems in Indian Railways: Today and Tomorrow” by Mr. R. Baskaran on 11th May 2016.
- Technical Talk on “Wireless Sensor Networks” by Dr Kirupa Ganapathy on 20th August 2016.
- Technical Talk on "System Design Technologies" by Mr. S. Janarthanam on 24th June 2016.
- Technical Talk on “The NASA-ISRO SAR (NISAR) Mission: An India – US partnership for monitoring a dynamic planet by Mr.Paul Rosen on 15<sup>th</sup> Nov 2016.

### **Faculty Development Program and Student Skill Development Program**

Madras Section is actively conducting the Faculty Development Programs in the relevant technical areas in various Engineering Institutions located at different parts of Tamilnadu. During the year 2016, such programs were organized in “Energy Efficiency and Energy saving using New Technologies” at Madurai, “Medical Informatics Extraction using Soft Computing Techniques” at Salem and Antenna Design and Measurement Techniques at Chennai, through which about 83 faculty members have been benefited.

### **Student Project Proposal from Student Branches:**

Project proposals were invited from all the Student branches of the Madras Section. 50 different project proposals were received from different colleges by the section. The proposals were scrutinized by the IEEE members in the relevant specialization and based on the recommendation by the members the projects were short listed by the IEEE Madras Section. The final stage of the project is under process. The respective student branches will be awarded by holding a mega function after successful completion of project and submission of the reports.

### **Technical Sponsorships and Financial Assistance to the student branches**

IEEE Madras Section provides Financial Assistance to the activities such as: Conferences, Workshops, Seminars, Symposia, etc., organized by the student branches. The norms have been defined for such financial assistance which is based on the number of student members available in each student Branch. During the year 2016, 26 such programs have been extended financial support by the section to the tune of Rs.2, 20,000. The Section has also approved for 16 more student branches in-principle.

### **Motivational Awards**

During the annual meeting, every year, Cash awards and appreciation certificates are announced based on the performance of the student chapters and society chapters. The student chapters having maximum number of members are also honoured. During the last year, appreciation certificates were given to top 3 best performing Student Branches and 24 society chapters of the section.

### **Student Branch Revamping:**

IEEE Madras Section is one of the largest sections in the globe. There are totally 204 IEEE student branches under IEEE Madras section. Out of these, only 74 SBs are active in terms of the required 12 student members. The remaining SBs are classified as defunct. The IEEE MAS SAC is continuously interacting with the student branches to activate the defunct SBs and to have more activities in the active student branches. In this regard, Region 10 SAC has taken an initiative to close down the student branches which are not active for the last two years and are having zero student members and to revamp the SBs having less than 12 members.

IEEE Madras Section has appointed Dr.S. Elangovan, Member, SAC as in-charge for IEEE MAS Student Branch Revamping project 2016. As an initiative, a mail and a hard copy letter was sent to all the defunct student branches on 04.04.2016 requesting the student branch counselors / head of the institution to revive their student branches. We have received responses from 7 student branches that they have revived their student branches. The details of the same are given below. Another mail is planned to send on 19.05.2016. The defunct student branches are advised / instructed to revive their SB on or before 15.07.2016. A list of defunct student branches district-wise is identified. One / two active student branches were identified to revamp their surrounding student branches.

Region 10 SAC is also taking an initiative to identify volunteers from team of young professional members to revamp the defunct IEEE student branches

### Details of Student Branches Revived:

SI.No.	Student Branch Name
1.	Sethu Institute of Tech.
2.	Park College of Engineering & Tech.
3.	Bharath Inst. of Science and Tech.
4.	Valliammai Engineering College
5.	Akshaya College of Engineering
6.	C.K. College of Engineering. & Technology
7.	Jansons Institute of Technology

### Website Re-Structuring

IEEE Madras section website was initially hosted using Drupal web platform. This year as per the advice received from IEEE headquarters the section website is revamped using WordPress. It is an open source **Content Management System (CMS)**, which allows the users to build dynamic websites and blog. It is one of the popular blogging system on the web and allows updating, customizing and managing the website from its back-end CMS and components. The Madras section website has been updated on the new platform and the URL is: <http://sites.ieee.org/madras/>

### R10 SWYL Congress Sponsorship:

The 2016 SYWL Congress was held in Bangalore in August 2016. It began with the welcome address by Mr. Ravikiran, SYWLC Chair, followed by an address by Professor Howard Michel, 2015 IEEE President. The Inaugural address was delivered by Dr. G. Sateesh Reddy, who spoke about the relevance of technology for the security of a nation, Dr. Vipin Tyagi, CDOT also gave a talk on the revolution in telecommunication. The opening session of SYWL Congress concluded with a vote of thanks. IEEE Madras section has sponsored members and students for this congress every year. This year also the section has sponsored the following members

- **Summary (See the Treasurer's Report)**
- **Major Activities of the Section**
  - ✓ IEEE Day Celebrations
  - ✓ Project funding for the students

- ✓ IEEE Authorship Workshop in India
- ✓ IEEE India Internship Entrepreneurship Program
- ✓ 26 National/International Conferences/Workshop/Seminars organized by the Student Branches in different Engineering Colleges and Chapters of the IEEE Societies were co-sponsored by the Madras Section.
- ✓ Faculty Development Program (FDP)
- ✓ Technical Lectures
- ✓ Funding for R10 SWYL Congress Sponsorship

## PART C: ORGANIZATIONAL ACTIVITIES

### Membership Development Activities

The Section takes lot of initiatives to enhance the membership of the section. The Membership advancement committee have taken initiative for the enhancement of membership to elevate from members to senior members. With these initiatives 69 new members has been referred for the elevation as Senior member with section having 196 Senior members during 2016. The following activities have been conducted during 2016 for the enhancement of the members including the student membership:

- a. Faculty Development Programs
  - b. Project funding for the students
  - c. Sponsorship for the conferences , Workshop , Seminars, Symposiums
  - d. Recognition and awards to student branches having good number of members and conducting good number of activities.
  - e. Student Branch Revamping
- **Total number of active members in the past 3 years.**

The details of Membership as on 31<sup>st</sup> Dec 2014, 2015 and 2016 are given below:

## Professional and Continuing Education Activities

The Madras Section is very keen in promoting professional and continuing education activities through different schemes. During the current year the following activities have been supported by the section for the enhancement of continuing education activities.

Summary of continuing Educational activities including conferences, technical activities, training courses, and distinguished lecture programs with attachment table / information

## Educational Activities

Educational Activities organized during the year 2016 furnished below:

- **Educational Activity – Chairperson: Mr. P. Subramanian.**
  - Faculty Development Program (FDP) – 3

Sl.No.	Topic	Venue	Participants
1	Energy Efficiency and Energy saving using New Technologies”.	K.L.N. College of Engineering, Pottapalayam	22
2	Medical Informatics Extraction using Soft Computing Techniques”	Knowledge Institute of Technology, Salem	27
3	Antenna Design and Measurement Techniques, Chennai	SSN College of Engineering, Chennai	34

## Sponsorship for Conferences to Student Branches (SBs) from Section

Sl.No:	Name of the college	Topic	Amount in (Rs.)
1	Prathyusha Institute of Technology	2nd International Conference on Advances in Electrical, Electronics Information, Communication and Bio- Informatics - AEEICB'16	15000
2	Hindustan College of Engineerig & Technology	Two days Workshop on "Service Oriented Architechture"	5000
3.	Ganadipathy Tulsi's Jain Engineering College	Digital India, Make in India and Skill India, 5S Concepts, Latest Trends in IT	5000
4.	Sri Krishna Engineering and Technology	National Level Technical Symposium on " KRISNECS 2K16	10000
5.	SSN college of Engineering	Wireless Communications, Signal Processing and Networking - WISPNET 2016	17500
6.	Dr. Sivanthi aditanar College of engineering	One Day National Seminar on " Trends in Antenna Design and Application	5000
7.	Rajalakshmi engineering College	International conference on Engineering Digital Green Era (EDGE - 2016)	5000
8.	Sri Ramakrishna Engineering College	National level Paper / Project Contest - TECHKSMOS 2016" & Workshop on MATLAB for Electrical & Electronics Engineers.	7500
9.	Kumaraguru College of Technology	Embedded system & Sensor Technology	10000
10.	KLN College of Engineering	National level Seminar on" Application of power Electronics in Polymer product manufacturing"	10000
11.	National Engineering College	Two Day Hands on Training on Internet of things: Smart Objects & Services IOT-SOS 2016	5000

Sl.No:	Name of the college	Topic	Amount in (Rs.)
12.	St. Peter's College of Engineering & Technology	Two Days Workshop on Software defined Radio and Cognitive Radio Technologies"	5000
13.	Kings college of Engineering	International Conference on " Emerging Trends in Engineering, Technology and Science	7500
14.	MIT	Seventh International Conference on Advanced Computing - (ICoAC2015)	5000
15.	Dr. M.G.R. Educational & Research Institute	Crossroads 2016, Innovations starts here ( National Level)	5000
16.	R.M.K. College of Engineering & Technology	Two days National Level Workshop on Embedded System Technologies	5000
17.	K.S. Rangasamy College of Technology	National Level Technical Symposium on " Embedded Systems and Communication Systems"	10000
18.	KIOT	National Level Technical Symposium on " Embedded Systems and Communication Systems"	7500
19.	B.S Abdur Rahman University	8th National Conference on " Recent Trends in VLSI, Information and Communication"	12500
20.	Sri Ramakrishna Engineering College	PCB Design for Engineering Applications	10000
21.	Dr. Sivanthi Aditanar College of Engineering	One Day National Workshop on Signal & Image Processing using Matlab	7500
22.	S.A. Engineering College	National Level Workshop on " Mathematical Modelling of Wireless Networks	5000
23.	St. Joseph's College of Engineering	Symposium - Jet Potential '16	17500
24.	K.S. Rangasamy College of Technology	Conference cum Scientific Meet on Industry - Institute Interaction	5000
25.	St. Xavier's College of Engineering	IEEE XTREME 10.0	10000
26.	Velammal Engineering College	Seminar on Human Computer Interaction	12500

### Awards & Recognition Activities

- Award constituted by the section:**

To encourage the student branches & societies to conduct more activities the cash awards & certificates of appreciation are being distributed every year at the Annual Meeting. The selection of awards is based on the activities published in the MAS-LINK- Newsletter.

- 1) The Student Branch having maximum number of members
- 2) Student Branches conducting good number of activities.
- 3) Technical Chapter of the section awarded based on the number of event conducted.
