

Region 10 Sri Lanka Section Report

PART A - SECTION SUMMARY

A.1 Executive Summary

Section Executive Committee Member List

- Chairman: Prof. Ruwan Gopura
- Chair (elect): Dr. Maheshi Dissanayake
- Immediate Past Chair: Prof. Chandimal Jayawardena
- Secretary: Dr. Windhya Rankothge
- Treasurer: Dr. Tharaka Samarasinghe
- Assistant Secretary: Dr. Tharindu Weerakoon
- Assistant Treasurer: Ms. Nuwini Dulanga
- Editor: Prof. Pradeep Abeygunawardana
- Committee Member: Mr. Dhammika Marasinghe
- Committee Member: Prof. Shanmuganathan Vasanthapriyan
- Committee Member: Mr. Peshan Sampath
- Committee Member: Dr. Sudheera Navaratne
- Committee Member: Dr. Sanath Jayawardana
- Committee Member (WIE representation): Dr. Maheshi Dissanayake
- Committee Member (YP representation): Mr. Chandana Maduranga
- Committee Member (SSR): Mr. Chamika Sudasinghe

Section Highlights

In 2020 the IEEE Sri Lanka Section held eight executive committee meetings and the annual general meeting was held on 24th January 2020.

Major Events (International, National)

- Section Chair attended the R10 meeting (virtual) for year 2020.
- Webinar on “Deep Learning Based Video Analytics” was held on 30th May 2020, by Prof. Supavadee Aramvith (Chulalongkorn University, Thailand).
- Webinar on Post-Covid Engineering Education in Sri Lanka was held on 16th July 2020. It was a collaborative event organized by the IEEE Sri Lanka Section, IMEchE Sri Lanka group and University of Moratuwa.
- A lecture under distinguished lecture programme was conducted on “Wireless Grid Integration of EVs for V2G Applications” by the Prof. Udaya Madawala (University of Auckland) on 1st August 2020.
- IEEE SYW Congress 2020 of Sri Lanka Section which is the largest gathering in IEEE Sri Lanka Section was held on 9th and 10th December.
- This year’s Techno Meetup series consisted of a well-rounded selection of cutting-edge topics for the students from IoT to 5G. Total of 5 Meetups were conducted as online events.
- IEEE Sri Lanka Section Student Branch Officer Training was held on 9th March.
- IEEE Sri Lanka Electronic Design Competition 2020 was held online.
- IEEE BOOST 2020 which was held on 10th October, and provided the opportunity for the student members of IEEE Sri Lanka Section to interact with the leadership of IEEE Sri Lanka Section and senior volunteers of IEEE
- IEEE Innovation Nation Sri Lanka 2020 consisted of series of activities/webinars targeting entrepreneurship/ start-ups from June to December 2020.
- IEEE Sri Lanka Section Awards Night 2020 was organized to recognize the efforts and hard work of outstanding volunteers.
- SL Inspire 2020: “**Career Compass**” seminar focused on educating students on tertiary educational opportunities available in Sri Lanka. Under “**Career Compass Higher Education and Career Guidance**” webinar series, 4 webinars were conducted to educate the after O/Ls students and school leavers about the opportunities available for them in terms of their career and higher education.
- Published two newsletters

Major Chapter Activities

- Power and Energy Society (PES)
- Robotics and Automation Society (RAS)
- Computer Society (CS)
- Microwave Theory and Techniques Society (MTTS)
- Communications Society (ComSoc)
- Power Electronics Society (PELS)
- Industry Applications Society (IAS)
- Engineering in Medicine and Biology Society (EMBS)
- Industrial Electronics Society (IES)

All the above-mentioned chapters have organized technical activities. Please refer the annexure for more details

Major Student and Affinity Group Activities

IEEE Young Professionals Sri Lanka

- “LETs Talk” series aims of enhancing the knowledge of young professionals by delivering technical and non-technical talks with prominent persons in the society. This year talk series was conducted as a webinar series.
- “AI-Driven Sri Lanka” aims to impart AI knowledge and to develop related practical skills of young Sri Lankan individuals with an analytical background and an interest in AI.
- IEEE StudPro 4.0, Career Fair 2020 organized by IEEE Young Professionals Sri Lanka for the fourth consecutive time was held on the 25th of November

IEEE WIE Sri Lanka Section

- Celebrating International Women’s Day, "Ladies Who Lead", an interactive workshop, was conducted on 7th March.
- A webinar on “How to be a Good Researcher” was conducted on 30th April, as an online event,
- “CodeWithWIE 2020” was launched with the intention of helping the local community and the health care system by providing a solution for any problem that has arisen due to COVID 19 pandemic [Event Fund: 1740 USD funds from IEEE HAC SIGHT]
- A webinar on ““Business Modelling Canvas”” was conducted on 25th June, as an online event, targeting guiding the finalists of Code with WIE program to fine tune business model.
- A webinar on “Blockchain for 5G IoT” was conducted on 24th July, as an online event, targeting students who are interested on 5G and IoT technologies.
- WIE Sri Lanka Section, with the aim to foster technological innovation and excellence in Women in Engineering all around the country, organized the “Women in Engineering Symposium 2020 – Technological Advancements for Humanity”, on 15th and 21st November

Student branches

All 19 student branches organized activities. Please refer the annexure for more details

- IEEE Officer Training was conducted on 9th of March, with the participation of 90 student members.
- IEEE BOOST 2020 was conducted on 10th and 11th October, with the participation of 300 student members, as an online event. It was an awareness program which was held based on professional and membership developments along with enthusiastic competitions.
- IEEE Innovation Nation Sri Lanka project targets to provide training, mentoring, financial support and most importantly expose the global market to budding young Sri Lankan entrepreneurs to take their idea to the next level.
- IEEE Techno Meetup Sri Lanka is a platform for all the tech enthusiasts to get together, share their knowledge and become enlightened about the latest technologies.
- SLInspire is a project of IEEE Sri Lanka Section and SL2College to help students with higher education goals and undergraduates with chances in research collaboration.

Awards

- Certificate of Recognition for outstanding achievement in member recruitment
- Chamika Sudusinghe, the Sectional Student Representative, became the first Sri Lankan undergraduate to win the Richard E. Merwin Student Scholarship.
- IEEE Volunteer Leadership Training (VOLD) Program – Two graduated in 2020 (Mr. Dhammika Marasinghe and Mr. Dev Sugandhika)

- **Darrel Chong Student Activities Award - IEEE Students**

Silver Category

- "Brainstorm 2019" - University of Moratuwa-Sri Lanka [STB10741]
- "Gammeddata IEEE Api (IEEE for the Countryside)" - University of Moratuwa-Sri Lanka [STB10741]

Bronze Category

- "Hackaholics 3.0" - University of Colombo School of Computing [STB04641]
- "GameRush" - University of Colombo School of Computing [STB04641]
- "Let Me Hack Eco 2.0" - Sabaragamuwa University of Sri Lanka [STB15150]

- **IEEE Regional Exemplary Student Branch Award - IEEE Students**

Bronze Category: University of Colombo School of Computing

PART B - ORGANIZATIONAL ACTIVITIES

B.1 Membership Development Activities

Total number of active members in the past 3 years.

Total: 2636

- Associate Member: 17
- Fellow: 1
- Graduate Student Member: 114
- Life Fellow and Members: 3
- Member: 627
- Senior Member: 64 (9 new senior members in 2020)
- Student Member: 1808
- Affiliate: 2

✓ 3416 in 2019.

- Summary and evidence of work done to improve the value of membership, which leads to retention and growth of members

Awareness programs and membership development programs (Ex: IEEE BOOST 2020) were organized targeting the university and professional communities to spread the word about IEEE, how it stands out from many other technical societies and advantages of becoming IEEE members.

B.2 Chapter Activities

- Total number of Chapters in the Section: 9
- Number of Chapters formed in the current year: 2
- Number of active Chapters (Chapters who have reported required number of meetings during the year): 9
- Summary of Chapter activities (Chapter wise with annexure table/information):
Please refer the annexure for more details

B.3 Professional and Continuing Education Activities

Please refer the annexure for more details

- Webinar on “Deep Learning Based Video Analytics” was held on 30th May 2020, with around 50 participants. It was conducted by Prof. Supavadee Aramvith (Chulalongkorn University, Thailand).
- [<https://www.facebook.com/photo/?fbid=2686692421442254&set=g.400734050054570>]
- Webinar on Post-Covid Engineering Education in Sri Lanka was held on 16th July 2020, with around 120 participants. It was a collaborative event organized by the IEEE Sri Lanka Section, IMEchE Sri Lanka and University of Moratuwa. The purpose of the webinar was to discuss the contextual challenges and explore the opportunities in Sri Lankan engineering higher education. An expert panel with a multitude of experience in engineering higher education and plenty of industrial exposure served as the resource persons.
- [<https://www.facebook.com/IEEESriLanka/photos/2810817375696424/>]
- DLP by Prof. Udaya Madawala (University of Auckland) was held on 1st August 2020, with around 100 participants as an online event. The talk focused on exploring the trends in the grid integration of EVs.
- [<https://www.facebook.com/IeeeTechnoMeetup/photos/a.528601847565446/936013123490981/>]
- IEEE Electronic Design Competition 2020, which is an annual event of IEEE SL Section that targets to improve knowledge and design skills of Sri Lankan undergraduate students was conducted as an online event. The 1st round was conducted on 25th August as an online competition. 38 teams participated in the competition, where they were required to design and develop a given task using a simulation environment.

- IEEE PELS Sri Lanka chapter was approved: [<https://www.facebook.com/IEEEPELSSLChapter>]
- IEEE IAS Sri Lanka chapter was approved: [<https://www.facebook.com/IEEEIASriLanka/>]
- TCS for following conferences: MERCon 2020, ICIIS 2020, ICAC 2020, ICTER 2020, ICIFAS 2020, ICITR 2020, FITI 2020

B.4 Students Activities

- Total number of Student Branches in the Section: 19
- Number of Student Branches formed in the current year: 1
- Section level student activities (student congress, paper and other contests, awards etc)
 - ✓ IEEE Officer Training was conducted on 9th of March, with the participation of 90 student members.
 - ✓ IEEE BOOST 2020 was conducted on 10th and 11th October, with the participation of 300 student members, as an online event. It was an awareness program which was held based on professional and membership developments along with enthusiastic competitions.
 - ✓ IEEE SYW Congress'20 of Sri Lanka Section (the largest gathering in IEEE Sri Lanka Section to guide new and experienced volunteers) was held on 9th and 10th December.
- Number of active Student Branches (Student Branches who have reported required number of meetings during the year): 19
- Summary of Student Branch activities (Student Branch wise with annexure table/information)

B.5 Affinity Group Activities

Young Professional (YP)

Please refer the annexure for more details

- “LETs Talk” series aims of enhancing the knowledge of young professionals by delivering technical and non-technical talks with prominent persons in the society. This year talk series was conducted as a webinar series. [<https://ieeeyp.lk/lets-talk/>]
 - 1st talk (“Boots your family financial immunity during a crisis” by Mr. Manosh Kulaseena) was conducted on 08th April with 40 participants.
 - 2nd talk (“Cyber Security Awareness Session” by Mr. Sujit Christy, Mr. Mohan Chaturanga and Mr. Kanishka Yapa) was conducted on 19th May with 100 participants.
 - 3rd talk (“Innovation in a Time of Crisis” by Mr. Alagan Mahalingam) was conducted on 16th June with 70 participants.
 - 4th talk (“Demystifying Pricing” by Mr. Aloka Gunasekara) was conducted on 23rd June with 50 participants.
 - 5th talk (“B.Sc. to Ph.D. Combining Machine Learning with Physics” by Mr. Tharindu Jayasinghe) was conducted on 14th July with 70 participants.
- “AI-Driven Sri Lanka” aims to impart AI knowledge and to develop related practical skills of young Sri Lankan individuals with an analytical background and an interest in AI. The panel discussion was conducted on 20th of October, as an online discussion with 230 participants. The panel consisted of Dr. Ajith Maduraperuma, Mr. Keshan Sodimana, Mr. CD Athuraliya, Mr. Romesh Ranawana and Mr. Uendra Pieris. [<https://www.facebook.com/yprilanka/videos/2744048979194651>]

Women In Engineering (WIE)

Please refer the annexure for more details

- Celebrating International Women’s Day, "Ladies Who Lead", an interactive workshop, was conducted on 7th March, with the hope of encouraging the ladies in STEM fields to kickstart their career life with a strong foundation. The speaker was Ms. Hanna Siegersz (Founder and CEO of Pair), and there were 100 participants.
- A webinar on “How to be a Good Researcher” was conducted on 30th April, as an online event, targeting undergraduates as well as postgraduates who are starting their research works. The speaker was Prof. Janaka Ekanayake (University of Peradeniya) and there were 200 participants.

- [<https://www.facebook.com/ieeepesdaysrilanka/photos/a.111008030580654/116926259988831/>]
- “CodeWithWIE 2020” was launched with the intention of helping the local community and the health care system by providing a solution for any problem that has arisen due to COVID 19 pandemic. Initially teams were asked to submit the proposal for the proposed solution, and there were 12 proposals. The competition was held online via zoom on 5th July.

B.6 Awards & Recognition Activities

- Award constituted by the Section
Certificate of Recognition for outstanding achievement in member recruitment
- Please list all Awards and Recognitions received by the Section, and members in the Section, from R 10 and IEEE HQ during the year
- ✓ Chamika Sudusinghe, the Sectional Student Representative, became the first Sri Lankan undergraduate to win the Richard E. Merwin Student Scholarship.
- ✓ IEEE Volunteer Leadership Training (VOLD) Program – Two graduated in 2020 (Mr. Dhammika Marasinghe and Mr. Dev Sugandhika)
- ✓ **Darrel Chong Student Activities Award - IEEE Students**
 - Silver Category
"Brainstorm 2019" - University of Moratuwa-Sri Lanka [STB10741]
"Gammeddata IEEE Api (IEEE for the Countryside)" - University of Moratuwa-Sri Lanka [STB10741]
 - Bronze Category
"Hackaholics 3.0" - University of Colombo School of Computing [STB04641]
"GameRush" - University of Colombo School of Computing [STB04641]
"Let Me Hack Eco 2.0" - Sabaragamuwa University of Sri Lanka [STB15150]
- ✓ **IEEE Regional Exemplary Student Branch Award - IEEE Students**
 - Bronze Category: University of Colombo School of Computing

B.7 Communication Activities (Newsletter, Home Page, E-mail etc.)

- Newsletter (name and number of issues in the year)
IEEE Sri Lanka Section e-Newsletter, 2 issues
- Home Page of the Section (give the URL and how often it is updated)
<https://ieee.lk/>
- Other means of contacts with Section members including social media
IEEE e-notices, e-mails and website.

B.8 Industry Relations

- Membership growth and retention
Sri Lanka Section is categorized as a Large Section (>2000 members)
Current Membership is 2636

Awareness programs and membership development programs (Ex: IEEE BOOST 2020) were organized targeting the university and professional communities to spread the word about IEEE, how it stands out from many other technical societies and advantages of becoming IEEE members.

- Activities for/with industrial members
 - This year's Techno Meetup series consisted of a well-rounded selection of cutting-edge topics for the students from IoT to 5G. Total of 5 Meetups were conducted as online events and all were delivered by the industry members.
 - IEEE Innovation Nation Sri Lanka project targeted to provide training, mentoring, financial support and most importantly expose the global market to budding young Sri Lankan entrepreneurs to take their idea to the next level.

B.9 Humanitarian Technology Activities

- Humanitarian Technology related activities supported by the Section including collaboration with other OUs.
"CodeWithWIE 2020" was launched with the intention of helping the local community and the health care system by providing a solution for any problem that has arisen due to COVID 19 pandemic. Initially teams were asked to submit the proposal for the proposed solution, and there were 12 proposals. The competition was held online via zoom on 5th July.
[Event Fund: 1740 USD funds from IEEE HAC SIGHT]
- SIGHT Activities: N/A

B.10 Community Activities

- IEEE Social activities (Family day, IEEE day, Engineers Week)"
No physical events were conducted due to Covid-19 situation.

PART C - OTHERS

C.1 Special Events

- Please briefly describe the importance of special events and the outcomes achieved.

IEEE SL Section granted Technical co-sponsorship to 7 international conferences. One application was rejected.

- ✓ ICTer 2020 International Conference on Advances in ICT for Emerging Regions
- ✓ MERCon 2020 Moratuwa Engineering Research Conference
- ✓ ICIIS 2020 Conference on Industrial and Information Systems
- ✓ International Conference on Information and Automation for Sustainability (ICIAfS)
- ✓ FITI 2020 From Innovation to Impact
- ✓ ICAC 2020 International Conference on Advancements in Computing
- ✓ ICITR 2020 International Conference on Information Technology Research

Giving concession registration rates for IEEE members was considered in the assessment process and executive committee members played a major role in Technical Program Committees of these conferences.

C.2 Relationship with National and International Societies and Non-Government Organizations (NGO)

- Webinar on Post-Covid Engineering Education in Sri Lanka was held on 16th July 2020. It was a collaborative event organized by the IEEE Sri Lanka Section and IMEchE Sri Lanka.
- Chairman - Engineering Council, Eng. Tilak De Silva graced the AGM 2020 by addressing the members. He introduced the Engineering Council, its mission and vision and invited to IEEE Sri Lanka section to collaborate for future activities.

C.3 Collaboration with other IEEE Sections

- IEEE Sri Lanka section coordinated the "Networking Tour with IEEE Leaders" event for IEEE WIE ILS 2020 which was organized by IEEE WIE Madras Section

C.4 Support extended to Sub-sections & Society Chapters within the Section

- IEEE Sri Lanka section collaborated with IEEE Robotics and Automation Society (RAS) Sri Lanka chapter to conduct the IEEE Sri Lanka Robotics Seminar/Workshop series.

C.5 Best Practices of your Section (which you would like to share with other Sections for the benefits of members)

- Awareness programs and membership development programs (Ex: IEEE BOOST 2020) were organized targeting the university and professional communities to spread the word about IEEE, how it stands out from many other technical societies and advantages of becoming IEEE members.
- Collaborations were initiated with other National and International Societies and NGOs such as IMEchE Sri Lanka, IET Sri Lanka and Engineering Council Sri Lanka.

C.6 Problems anticipated and suggestions for solutions, if any

Due to the covid-19 pandemic, most of the physical events were cancelled. However, IEEE Sri Lanka section changed the organization plans/ strategies and conducted most of the events successfully as online event.

PART D - GOALS AND PLANS

D.1 Continuation of project/activity in progress and their implementation plans

IEEE Sri Lanka section will continue following activities/ projects.

- Annual get together.
- Annual sports day
- Electronic design competition
- IEEE awards night

D.2 Goals and Future Plans

Following events will be conducted in year 2021

- 3 minutes thesis/ research presentation competition
- Collaborative event with other professional bodies i.e ECSL, IESL, IET
- Joint event with chapters with industrial collaboration
- Regional level event which will create more visibility for the section
- Online family activity
- Individual member recognition program

D.3 Any innovative ideas to make IEEE more creative and value added for sustaining the membership retention and recruitment goals.

D.4 Business Plan for Sustainable Growth and Financial Stability.
