• Benefit to IEEE members

The entry was free to nominated IEEE members in all Technical seminars jointly organized.

• Benefit to Section (for example help in membership development, venue facilities, cost-saving etc.)

IEEE as a brand got a lot of visibility with these initiatives and membership count increased almost by close to 100 %..

C3. Collaboration with other IEEE Sections |

- Support extended to neighboring Sections: Rs.15,000 was given to IEEE Pune section as support for organizing AISYWLC 2022. IEEE Delhi Section also provided financial support of Rs.20,000 to Bangalore Section for YESIST 2022.
- Joint activities with any other Section : NA

C.4 Support extended to Sub-sections & Society Chapters within the Section

C.5 Best Practices of your Section (which you would like to share with other Sections for the benefits of members)

There is a lot of emphasis on regular reporting of the activities in VTools and also discuss about the same in every execom meeting. Section execom members are very closely bonded.

C.6 Problems anticipated and suggestions for solutions, if any

Poor attendance of execom members in the meetings and non reporting of activities in V Tools. Section is aware of the challenge and accordingly a best suitable solution will be found by sending regular reminders to chapter chairs for the same.

PART D - GOALS AND PLANS |

D.1 Continuation of project/activity in progress and their implementation plans

Second edition of DELCON has been organized this year. There is plan to make it a regular feature and make it a very high class and much sought after conference in time to come. Industry awards need to be strengthened so that more worthy nominations may be brought in.

D.2 Goals and Future Plans

“My endeavor as Chairman of the IEEE Delhi Section would be to empower and inspire the IEEE members to reach new heights in their respective fields of work, to foster a culture of creativity and innovation in technical and professional activities of IEEE, to promote effective inter-society collaborations, to mobilize growth in the IEEE membership and its up-gradation and retention. In order to accomplish this vision. I would create a team of active volunteers to closely interact with the institutions and commerce to become vibrant and organize several quality activities at their own place and also to participate in the activities conducted by the Section. A mechanism would also be developed to reward the volunteers for their active participation.”

- Prof. A Q Ansari,
Chair, IEEE Delhi section

D.3 Any innovative ideas to make IEEE more creative and value added for sustaining the membership retention and recruitment goals.

Regular reporting and followups may play in ensuring a continued interest of the members.
