

Madhya Pradesh Section Report

(Please replace above heading with your Section name)

* Please use the following format to prepare and submit your Section's annual report to Region 10.

* Please note that the annual reports are used to evaluate the outstanding Sections in the region and reports submitted after the announced due date will not be considered for the award. Please do not include more than 3 photographs and preferably put them on additional pages attached to the report (please delete this paragraph in your report).

* Please try to limit your Section's annual report not more than 15 pages.

PART A - SECTION SUMMARY

A.1 Executive Summary – (Please follow the format given below)

- Section Executive Committee Member List:
 - Geetam Tomar, Section Chair
 - Manish Dixit, Section Vice Chair
 - Amit Ojha, Section Secretary
 - MPS Chawla, Section Treasurer
- Section Highlights
- Major Events (International, National)
 1. IEEE Current Development in Engineering & Technology”, 23-24 December 2022, Held in SAGE University, Bhopal.
 2. IEEE 6th Conference on Information and Communication Technology (CICT)- 18-20 Nov 2022
 3. IEEE International Conference on Interdisciplinary Approaches in Technology and Management for Social Innovation – IATMSI-2022, will be held during 21-23 December 2022
 4. 11th IEEE International Conference on Communication Systems and Network Technologies (CSNT 2022) held during 23rd & 24th April 2022 at Indore, India – Section Flagship conference.
 - 5.
- Major Chapter Activities
There are more than 100 events conducted by various branches and chapters of the section
- Major Student and Affinity Group Activities:
WIE and YP conducted events
- Awards
Mr Pawan of IIT Indore student branch got award of IEEE

A.2 Financial Report – (Please follow the format given below)

- Summary (as per submitted on NetSuite)
No financial funding was received from IEEE HQ or R10 for section.
However, there has been local donation for the section from various members and funds in bank are 34000 India Rupees.
- Any other financial activities

PART B - ORGANIZATIONAL ACTIVITIES

B.1 Membership Development Activities

- Total number of active members in the past 3 years. 2020-580, 2021 890, 2022-1356
- Summary and evidence of work done to improve the value of membership, which leads to retention and growth of members

Section is the well above target of IEEE Membership recruitment and was highest in the world

B.2 Chapter Activities

- Total number of Chapters in the Section: 17
- Number of Chapters formed in the current year: 14
- Number of active Chapters (Chapters who have reported required number of meetings during the year): 16
- Summary of Chapter activities (Chapter wise with attachment table/information)
Available on VTools

B.3 Professional and Continuing Education Activities

Summary of continuing Educational activities including conferences, technical activities, training courses, and distinguished lecture programs with attachment table / information

B.4 Students Activities

- Total number of Student Branches in the Section: 10
- Number of Student Branches formed in the current year: 09
- Section level student activities (student congress, paper and other contests, awards etc)
Total 90 events
- Number of active Student Branches (Student Branches who have reported required number of meetings during the year): 90
- Summary of Student Branch activities (Student Branch wise with attachment table/information)
Available on vTools

C.5 Affinity Group Activities

- Young Professional (YP)
- Women In Engineering (WIE)-01
- Life Member (LM)

D.6 Awards & Recognition Activities

- Award constituted by the Section
- Please list all Awards and Recognitions received by the Section, and members in the Section, from R 10 and IEEE HQ during the year

E.7 Communication Activities (Newsletter, Home Page, E-mail etc.)

- Newsletter (name and number of issues in the year)
- Home Page of the Section (give the URL and how often it is updated) <http://ieeemp.org>
- Other means of contacts with Section members including social media twitter, whatsapp and other such platforms are being used for visibility of the section. there are two whatsapp groups one is for all members and other group is for ExCom members. the individual chapters, societies and affinity groups have their own groups.
-

F.8 Industry Relations

- Membership growth and retention
There is good interaction with industry. RRCAT and TCS are actively involved with section activities
- Activities for/with industrial members

Yes

B.9 Humanitarian Technology Activities

- Humanitarian Technology related activities supported by the Section including collaboration with other OUs.
- SIGHT Activities

Two activities were conducted

B.10 Community Activities

- IEEE Social activities (Family day, IEEE day, Engineers Week)”

IEEE Day was celebrated, Engineers day was celebrated with IETE and CSI india

PART C - OTHERS

C.1 Special Events

- Please briefly describe the importance of special events and the outcomes achieved
- Funding secured from the IEEE and external sources including sponsorships

IEEE supported few events

C.2 Relationship with National and International Societies and Non-Government Organizations (NGO)

- Nature of relationship and details of any formal agreement signed
- Details of joint activities : 3 international conferences were conducted with IETE India
- Benefit to IEEE members (for example discounts, access to technical information etc.)
Discount in registration fee and travel grant was given
- Benefit to Section (for example help in membership development, venue facilities, cost saving etc.)

C3. Collaboration with other IEEE Sections

- Support extended to neighboring Sections
- Joint activities with any other Section

CICNT 2022 was held with UP Section and Kerla Section

C.4 Support extended to Sub-sections & Society Chapters within the Section

- Support extended for organising technical, educational and professional activities
Support was extended to chapters
- Joint activities for membership development
Yes
- Support extended for the formation of a Sub-section or transition of a Sub-section into a full Section

C.5 Best Practices of your Section (which you would like to share with other Sections for the benefits of members)

Various programs were held to propagate best practices

C.6 Problems anticipated and suggestions for solutions, if any

There is lack of financial support. Section has not got any financial help since its formation in June 2021

PART D - GOALS AND PLANS

D.1 Continuation of project/activity in progress and their implementation plans

Societal programs are in plan

D.2 Goals and Future Plans

To improve membership of the section and retaining current membership

D.3 Any innovative ideas to make IEEE more creative and value added for sustaining the membership retention and recruitment goals.

Professional activities are being held at various institutes for this purpose.

D.4 Business Plan for Sustainable Growth and Financial Stability.

Section is planning to have technical programs to have sustainability

**(Prof GS Tomar)
Section Chair**
