# IEEE Region 10 Student Leaders Summit

## Objective:

The purpose of this is to bring together all student leaders of Region 10 and provide them proper training on IEEE tools and resources for the development of their SB activities. This will be a collaboration of Training and Webinar and Membership Development Committees of IEEE Region 10 Student Activities Committee.

**Total Budget : USD 1000** (To encourage and recognize best leaders and offer them memberships or membership renewals )

## Task Measurables:

- The student leaders in R10 will be more skillful in IEEE activities (Planning, Reporting, Vtools, Proposal creation, Funding Applications ect..)
- IEEE student leaders using IEEE templates and branding guidelines properly.

# Outreach - Monthly Progress Update Meetings with Section SSRs

## Objective

Regularly monitor the student activities of sections and their progress to support the student activities by providing necessary guidance and finding necessary resources. Further, to keep the SSRs active and keep them aware of what other sections are doing to promote collaborative events between sections. This will synchronize activities conducted in the region.

## Total Budget - USD 1200

Year-end appreciation of SSR who has actively participated in the progress meetings throughout the year.

## Task Measurables

- ▶ Number of Sections Participating in Meetings
- ▶ Number of Collaborative Events among Sections
- ▶ Progress Reports of SSRs

# Outreach and Public Visibility - IEEE Region 10 SAC Humanitarian Mobile photography Contest

*To get much attention on social media engagements in all Social media Channels of R10 SAC*

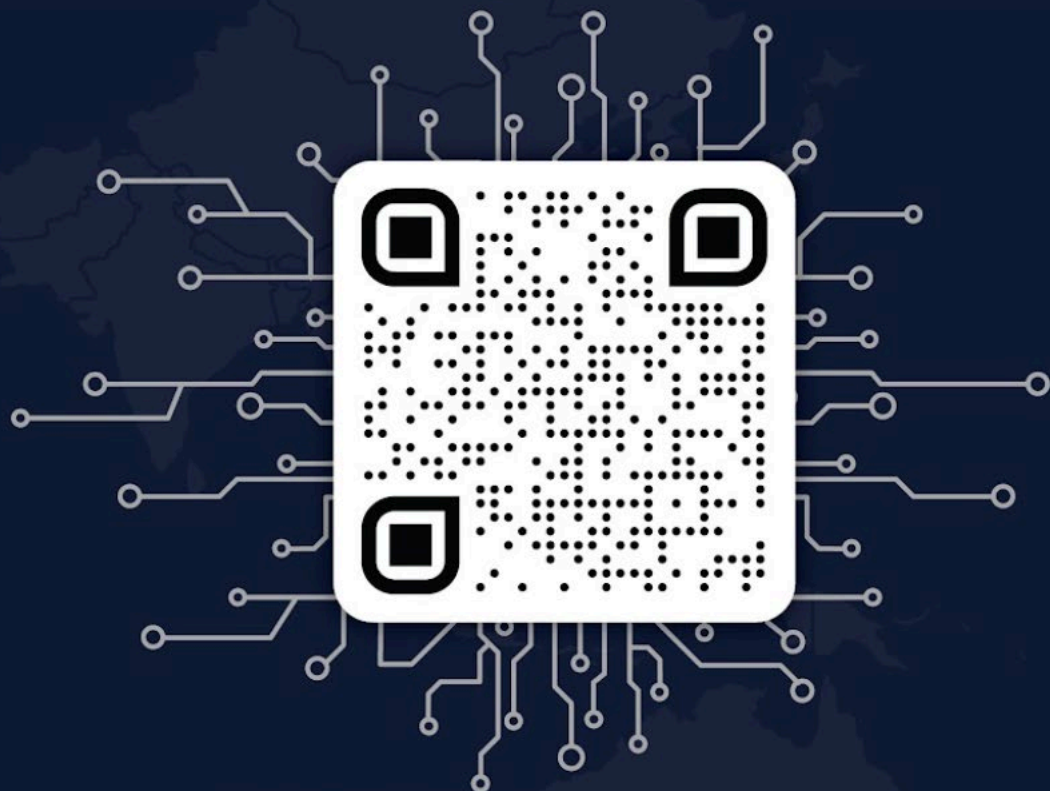

## **Objective:**

This is being done in order to increase involvement on IEEE R10 social media outlets. (Instagram) and (Facebook) We have more than 10,600 Facebook likes and 10,811 Instagram followers. However, we haven't run a social media campaign in a while, and when postings are shared in channels, visibility is low.

**Total Budget : USD 500** (To encourage and recognize the best photographers and offer them, memberships, Three categories as the best photograph, most popular photograph and open category)

## **Task Measurables:**

- Need to achieve the goal of 20000+ followers in Facebook Page.
- Need to achieve the goal of 15000+ followers in Instagram Page.
