2024 R10 Ad Hoc Committee on Industry Engagement and Round Table (ACIERT)

Charter, Objectives, Activities, KPI, and Budget

▶ Charter:

- Facilitate IEEE industry engagement activities across IEEE Region 10.
- Coordinate at R10 level, industry engagement opportunities and activities
- To organize industry engagement round table on a specific theme for R10

▶ Objectives:

- To coordinate, facilitate and synchronizing IEEE industry engagement activities across R10
- To identify and act on opportunities and gaps within the industry in order for IEEE R10 able to address
- To create stronger ties and provide value to industry and to those who work in industry
- To coordinate on behalf of Region 10 products and services that meet the needs of industry, government, and industry professionals.
- Organize IEEE industry awards to recognize contribution

2024 R10 Ad Hoc Committee on Industry Engagement and Round Table (ACIERT)

Charter, Objectives, Activities, KPI, and Budget

▶ Activities:

- **Project 1:** Coordinate with IEEE IEC to identify activities or opportunities, gaps across R10, conduct a survey across IEEE R10 industry members/non-members.
- **Project 2:** Organize industry engagement activities, like conference, webinar, panel on a specific theme and industry in R10. Assist financially for selected projects.
- **Project 3:** Organize industry round table on a specific theme (e.g. Climate Change, AI/Semiconductor)
- **Project 4:** Organize an IEEE R10 Flagship Industry Engagement Conference, e.g. on specific topic/theme like AI, Semiconductor, 5G.

▶ Outcome/KPI:

- Industry Engagement Activities within Region 10
  - Industry Webinar/Panel/Conference (3)
  - Roundtable discussion (2),
- To organize a Mini IEEE Industry Engagement Conference in Region 10 (1)
