Upskill Volunteer and Enhancement Committee 2024 Plan

Committee Structure

Chair: **Mousmi Ajay Chaurasia**

Members: **Jing Dong, Kohei Ohno, Suresh Nair, Nadia Hussein**

Advisor: **Takako Hashimoto**

Budget

1. Project 1: \$2500

2. Project 2: \$1500

3. Project 3: \$2500

Total Proposed Budget : \$6500

Objectives

1. Volunteer Leadership Training for volunteers in Region 10 in Northeast Asia @ SYWL
2. Sustainable events roadmap through IEEE Volunteer resources training
3. Special sessions on Reporting Resources at R10 Flagship conferences and Section Chapter Symposium

Project / Task Measurable

Project 1: Number of volunteers attending training programmes and collecting feedbacks to measure long-term knowledge retention

Project 2: Vtools reporting and other utilities, IEEE Event dashboard sessions, MGA Training resources CLE.

Project 3: Session in the geography of Flagship conferences to attract the attendee volunteers and exposing them to MGA, IEEE Societies and other IEEE Regional officers and volunteers

Projects / Tasks

1. Half day workshop in R10 SYWL
2. Planning Volunteer Resource training at Chinese sections.
3. Special session for Attendees and Local volunteer leaders during R10 Flagship conferences

Timeline & Metrics

1.Project 1: # August 2024, R10 SYWL/No of attendees benefitted

2.Project 2: #TBP Mostly in May/June. No. of sections covered

3.Project 3: # As per the timeline of R10 Conferences. No of sections covered, No. of Local attendees attended.

Project 1:

Volunteer Leadership Training for volunteers in Region 10 in Northeast Asia @ SYWL

Budget: **\$2500** (Promotional, registration fee, refreshments, Speaker and attendee gifts)

- ▶ Work with SAC, WiE, YP to design a half-day event during R10 SYWL.
- ▶ Number of volunteers attending training programmes and collecting feedbacks to measure long-term knowledge retention
- ▶ Focused towards the post Region 10 realignment and growing trained volunteer base

Progress so far:

31 August 2024 – 90mins session for Volunteers Training

Project 2:

Sustainable events roadmap through IEEE Volunteer resources training

Budget: **\$1500**

(Refreshments/Speaker support)

Progress so far:

Online meeting with IEEE China Council
Chair, Prof. Yinghong Wen on 20th Feb 2024.

- 17 August 2024 – Training event
- Budget and Venue in discussion
- Collaboration with SAC and Section Chapter

- ▶ Planning with Chinese sections to organize Volunteer Leadership event
- ▶ Vtools reporting and other utilities, IEEE Event dashboard sessions, MGA Training resources CLE
- ▶ Post-training assessments to measure the improvement in knowledge and skills.

Project3:

Special sessions on Reporting Resources at R10 Flagship conferences and Section Chapter Symposium

- ▶ Work with Section chapter committee/CQM to encourage volunteers' exposure in flagship events.
- ▶ Session in the geography of Flagship conferences to attract the attendee volunteers and exposing them to MGA, IEEE Societies and other IEEE Regional officers and volunteers
- ▶ To energize and develop awareness to the Sections/chapters volunteers on working together and explore the opportunities of leadership and other volunteering roles.

Budget: \$2500 (Speaker support, Event space/AV Support)

THANK-YOU
